29th - Harry Saunders

Happy Anniversary!

22nd - Jim & Ann Hunter
24th - Richard & Susan Buff

Thoughts from Our Director

Greetings to all,

In spite of the August weather being 90+ degrees, we managed to have fun and unique adventures with our cars.

You've heard the old saying "kids will be kids". Well, I am witness to the fact that adults will exhibit kid like behavior given the right circumstances. A graffiti covered bridge on a dirt road in the middle of nowhere seems to be the right opportunity for it. Especially when given a can of spray paint!! I'll say no more, for details you'll have to talk to someone who was there.

Kudos to club member Jay Herrin for a job well done! Jay offered to host the August gathering at his airplane hanger at Falcon Field in Peachtree City.

Our meeting place was Publix Plaza in Peachtree City. Three of Jay's pilot friends gave us a teaser as to what was to come once we got to the airport. Not only were we entertained from above but so were those who had gathered to look at our cars, along with others in the parking lot.

Jay met us at the airport and we drove our A's to a viewing area next to the runway where we were WOWED and entertained by more precision maneuvers. The grand finale was a huge heart formed in the sky over the runway.

Back at Jay's hanger everyone enjoyed the opportunity to eat, fellowship and meet new friends. The pilots were asking questions about the A's while club members were quizzing the pilots about their airplanes. It was indeed a time of "show and tell".

Thanks again to Jay and his wife, Lynn, for taking care of all the nitty-gritty details to the point that all we had to do was show up.

Let's keep our A's rolling,

-Jackie

ICE CREAM NIGHTS!

Thursdays at 6:00 pm.

You can start with dinner or go straight for the ice cream.....

We've been having a nice turnout. Come and join us!

Mark your calendar for the next Tech Meet – September 4

The next Tech Meet, headed by our tech guru, Tom Romine, will take place at Jim Hunter's garage in Brooks, on Saturday, September 4 at **9:30 AM**.

The project will entail replacing the rear axle on Jim's Model A Sedan.

We will have refreshments and lunch, as usual.

Reply to Tom Romine's recent emails, if you haven't already.

INTERNATIONAL MODEL A DAY – SEPTEMBER 11, 2021

Once again, Tom & Liz Romine will be our leaders for a tour marking the all-important International Model A Day! They have planned a backroads route from Peachtree City to Jackson, Ga., where we will enjoy lunch at The Brickery. The restaurant features Italian sandwiches, dishes, pizza, plus salads, wings, etc. Reasonable pricing \$7.00 to \$12.00 plus taxes etc.

We are planning on meeting at the Publix shopping center at GA Hwy 74 in So. Peachtree City. We plan on leaving there at 10:15 for an arrival time at 'The Brickery' around 11:30.

With that said, please be there at 10:00, with full fuel tanks for the hour plus tour, mostly on back road over to Jackson.

PLEASE! RSVP to Tom if you are coming on this tour. We need to let them know how many to expect.

Tom Romine

August Lunch Bunch – The Garden Patch

Sometimes our tours introduce something a little different along the way. Searching through headstones at the cemetery in Hollonville to find the oldest one to win a prize comes to mind.

Well, the August Lunch Bunch, led by Jackie and Larry Peterson, channeled their inner mischievous child when they encountered a graffiti-covered bridge in the middle of nowhere. Said leaders came equipped with cans of spray paint, and....well, let the photos tell the tale.

Oh, and the lunch at the Garden Patch was delicious and fun!

Participants: Larry & Jackie Peterson, Jack & Drena Miller, Dave & Fran Birch, Charlie & Barbara Biggs.

September Lunch Bunch – Wednesday, Sept. 29. **The Green Manor**

Wednesday, September 29, will be the last “Lunch Bunch” outing of the year. Our destination is the historic Green Manor Restaurant in Union City.

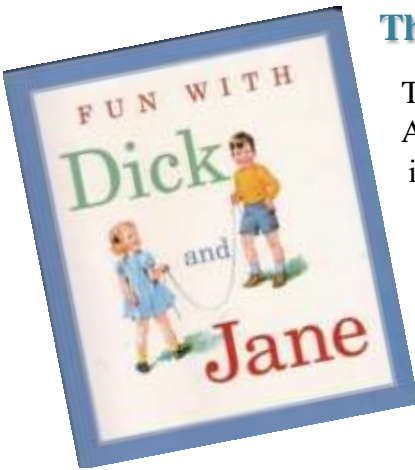

This beautiful old home, circa 1910, still stands with its historic architecture carefully restored. Fitted with wide verandas, beveled glass doors, beautiful chandeliers and a dark magnificent mahogany staircase. Crossing its threshold is returning to the Old South of bygone days.

GATHER: Circle K in **Palmetto**, located at the corner of Roosevelt Highway/Highway 29 and Phillips Road.

TIME: We’ll meet at 10:30 AM for a 10:45 departure.

RSVP: No later than **Sunday, Sept. 26**, to Gwyneth (gwynshot@aol.com)

The (Not Necessarily Annual) Fun With Dick & Jane Tour

The tour takes place September 16-19, and will explore Augusta, GA and Aiken, SC. With registration closing August 31, if you would like more information please check out last month’s Newsletter.

Be sure to watch for a full recap in the October issue!

Planes, Fajitas and Automobiles – A Grand Time

Saturday, August 21, turned out to be a gift from Mother Nature: the threat of rain was constant leading up to the day, but the result was just a sky of ever-changing clouds and no precipitation.

That meant that those meeting at the Publix for the short drive to Falcon Field were treated to a “preview” show by three planes doing a variety of maneuvers overhead, including flips and even flying upside down. The Saturday shoppers who came over to admire the A’s also got to enjoy the show. The pilots are members of a group that fly out of Falcon Field, performing and entertaining all around the area.

Seven Model A’s, including host Jay Herrin’s, lined up along the taxiway where we were all able to watch another group of six airplanes entertain us overhead. But first they taxied in a line opposite the A’s, angled their planes in salute, and executed a burnout – a dramatic display of smoke enveloping the planes in a temporary cloud. In the sky, we watched exciting formations, with trailing smoke, with the highlight being the creation of a giant heart overhead.

After the fabulous display we headed over to Jay’s hangar where tables and chairs were set up, cooled by giant fans, and set adjacent to a delicious fajita buffet, compliments of Moe’s Southwest Grill. Jay’s wife, Lynn, and friends assisted and welcomed us for this delightful get together. The pilots joined in and were enthusiastic about showing us their planes, while also checking out the beautiful Model A’s.

Huge thanks go to Jay and his pilot buddies for organizing a truly unique afternoon for the Southside A’s.

Garage Report

Taylor Merrill's Doodlebug

(Editor's Note: I'm reprinting the email I received from Taylor recently, since he does a great job, in his own words, about this fun project. And he was aided by fellow SSA-ers.)

Gwyneth, a few weeks ago we had a discussion about a Doodlebug that was my COVID project and you mentioned that it might be a good story for the newsletter. I have attached several pictures of before, during, and finished. Our twin granddaughters helped me on a few occasions.

A Model A friend had been storing it in his yard for years. Fred Huey, Terry Atkins and I went to visit my friend, Willis, in West Point, to look at some Model T parts. I asked Willis what he was going to do with the tractor and he said you can have it if you get it out of my yard. I paid Willis a few \$\$ to make everyone feel better and Fred and Terry helped me load it on my trailer. I spent the year in my shop doing repairs I had never done before.

SERVICE STATION ATTIRE IN THE MODEL A ERA

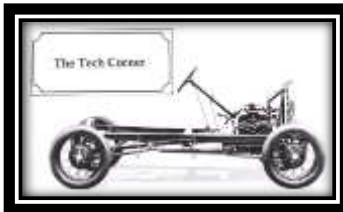

By Lois Przywiltowski

In the early years of the automobile, getting gas for the horseless carriage was no small feat. Dispensing gasoline evolved from bulk depots on the outskirts of towns, often requiring three people to fill the tank, to curb side pumps. As the popularity of the motor car increased and technology allowed larger quantities of fuel to be refined from the same amount of petroleum, merchants of all stripes, from bicycle shops, general stores, garages, and automotive dealers, installed gas pumps in front of their establishments. By 1920 approximately 15,000 gas stations were located in the United States. They were rudimentary at best, some little more than shacks, with advertisements littering their walls and the roads leading to them. They were considered by many to be an eyesore, and even worse, there was little confidence in the product they offered.

Major oil companies took note and began to standardize their stations, making them visually appealing to the motorist. Not only did the station need to look good, the service employees needed to project honesty, integrity, reliability and quality. What better way to do that than through the clothing they wore?

Ford Service Bulletins emphasized service, shop cleanliness, and the appearance of the employees. This illustration, from the July 1928 Bulletin, shows the serviceman in a shop coat, with the Ford Logo, shoes polished, and cap in hand.

The Tech Corner

Jim's Tech Tip by Jim Cannon

Adding a Passenger Side View Mirror

There are several passenger side mirror options out there for us to add to our car, to see a bit better what traffic is over there. You can get a mirror that attaches to your door hinge, to your wind wing, etc.

But after you install it, you will discover that you really can't see much in it. It is almost useless, especially when trying to help you change lanes.

Here's my little Tech Tip: Add a small "bubble mirror" to the face of that flat mirror, using a couple of strips of two-sided tape. Hunt around for a bubble mirror that closely matches the diameter of your flat mirror. Look for them in auto parts stores, general merchandise stores, truck stops.

Now you will really be able to see what is on that side of the car or truck!

Enjoy the drive, and Have a Model A Day! Jim

MAFFI NEWS

August 2021

The Board of Trustees at MAFFI are more than excited about this year's **Model A Day, September 18th**. We think that it will be the biggest and best yet! There will be a Swap Meet, rides around the museum in several different vehicles, a jazz band, seminars, special guest, Wayne Carini of Chasing Classic Cars and of course our *beautiful* museum with our first Responder Display.

The seminars will be:

1 st	Responder Vehicles	Stan Johnson	Friday	6-7 pm	4 Points Sheraton
am	1931 Bus History U-2 Bldg	Ken & Ron Ehrenhofer	Saturday	9:30 am-10:30	
noon	Front End Rebuild U-2 Bldg	Larry Shepherd	Saturday	10:30 am-12	
noon	Fashion Seminar Theatre	Sherry Winkinhofer	Saturday	10:30 am-12	
pm	MAFFI Annual Meeting Tent		Saturday	1:00 pm-1:45	
pm	Wayne Carini Tent		Saturday	2:00 pm-3:15	
4:15pm	Woody Wagon U-2 Bldg	Rob Gibby	Saturday	3:30pm-	

As always, these are subject to change without advanced notice.

We hope that you will stop and say hello to any of the MAFFI Board Members that you see. We will be the ones in the Yellow Vests wearing a smile!

If you aren't able to make it for Model A Day, remember that the Gilmore Museum complex is open 7 days a week. You are welcome ANY time!

Marsha Quesnel, MAFFI Trustee
