I can't believe it's almost Back-to-School time! Isn't August considered the "dog days of summer?" Well, we still have fun leisure activities on the docket, such as our Moonlight Tour to Barnstormer's Grill, and another informative Tech Meet. See inside for details.

Also, check out our updated and improved Website, thanks to Pat Tyler; it is really impressive. There will still be a few tweaks to be done, but it's a great showing for our club.

Notes from Our Director

While July brought in some Summer heat our activities continued, with many more planned through the balance of the year. Beyond our normal touring activities our IT guru and webmaster Pat Tyler has been working diligently to update our website for a new look. Technically it is one of the best in the US and it has gotten even better with the new ability to show people on your smart phone some of the features and benefits in belonging to the Southside A's. Tina Carne set up the Southside A's Facebook Page some time ago and we are now putting more emphasis on posting our activities there. You as a member are welcome to go out at any time and post things that you are doing that would interest the entire club. Both the website and Facebook page are linked together and become an excellent tool for showing people what we do as a club. Remember, as you install your next engine, brakes or other work, take pictures and put these activities on Facebook, they could be included in our newsletter.

This past month we had to cancel our outing to the George Bugg car collection due to a lack of interest. Clearly the heat played a role in this and we expect to reschedule it before the end of the year. We had a small group of 5 cars roll out to the "Cheeseball Run" and tour to the Horseshoe Bend Military Park in New Site, Alabama. It was a fun day and we enjoyed the famous General's Cafe cheeseballs nearby. Of course we continue our ice cream Thursday's at Culvers in Newnan, we had our largest gathering to date last Thursday, all talking cars.

August holds in store a trip for some of us up to the National MARC meeting in Dearborn. Look for reports on the trip on the Facebook page. We will also have our Moonlight Tour and a technical meeting hosted by the Romine's; this quarter we're rebuilding carburetors.

Thanks to all our tour leaders and board members for their continued help and enthusiasm for our hobby. For those that haven't joined us, come on out and have some fun!

See you down the road!

-Jim

MYSTERY TOUR - CHEESEBALL RUN!

Several members took a ride to Horseshoe Bend National Military Park today, on the "Cheese Ball Run." Fred Huey, Pat Tyler, Tom Romine, Terry Akins and Jim Wingo met in Franklin, Georgia, at the old Gulf Station built in 1932.

They then moved to the Military Park located in Alabama where the Battle at Horseshoe Bend was fought in 1814 by General Andrew Jackson against the Red Stick Indian tribe; a victory which helped propel Jackson's election to the Presidency in 1828.

From there the group moved to have lunch at the General's Cafe at New Sight, Alabama, for their world famous cheese balls. 200 miles round trip.

TINY TIPS

O

OIL PUMP SPRING

Over the years I have seen altogether too many Model A engines with a bolt in the hole at the oil pump. These bolts were presumably installed not only to prevent oil loss but also to hold the oil pump in place - this is wrong! This hole has a 1/8" N.P.T. thread not a machine thread. The hole was originally fitted with a short 1/4" pipe plug with a screwdriver slot, much the same as the one supplied with some intake manifolds.

There is a 3/8" N.F. set screw and lock nut in the side of the head to lock the distributor in place. Don't confuse the two situations.

The oil pump is to be held in place with a spring attached to the pump or in early models with the spring attached to the pan. The only situation tolerating a 3/8" N.F. bolt in the side of the block would be to hold the oil pump in place when installing the pan.

The bolt must be removed before starting the engine and replaced with the proper pipe plug. Failure to do this can cause the oil pump body to break.

The 1/4" pipe hole was put there to test the pump or to install fittings for an accessory oil pressure gauge.

Fun with Dick and Jane Tour
September 13-15, 2019***

This year's "*Fun with Dick and Jane Tour*" is scheduled for Friday, September 13th, and Saturday, September 14th, and will take us to the Columbus, Georgia area. We will be staying at the **Marriott Hotel** located at **800 Front Avenue in Columbus, Georgia**, where we have reserved a total of thirty-five (35) rooms for this occasion. To make reservations, please contact them directly at (706) 324-1800, or (800) 613-4349. Use of the "Group Code Name" of "**Fun with Dick and Jane Tour**" will ensure that you receive the benefit of our group room rate of \$129/night plus tax. Check-in time is 3:00 p.m. and departure time is 12:00 noon. **Our room block expires on August 19th**, after which time any unclaimed rooms will be placed back into inventory, and will be available to the general public on a first-come, first-served basis, so please don't delay in making an early room reservation(s). Trailer parking will be available at the Hotel in its rear and/or side parking lot.

On our drive over on Friday, we are planning for our entire group to rendezvous at the **Zion Episcopal Church** (built in 1848) located **425 Washington Avenue (a/k/a GA HWY 41, just below the square) in Talbotton, Georgia**. From there we will make a short drive up to the Talbotton Chamber of Commerce building, which was also home to the first female-owned Ford dealership. The service department was situated on the second floor, and was accessible to cars only via an inside automobile elevator. The site currently includes a 1929 Model A Ford Town Sedan on the original elevator.

Lunch at **Minnie's Uptown Restaurant** in Columbus will follow, and is about a 45-minute drive from Talbotton. Minnie's is one of the local "blue plate special" restaurants bordering on the edge of Columbus' Historical District. The address for Minnie's is **104 8th Street in Columbus**. Lunch prices will depend upon individual patron selections, so the cost of lunch is therefore not included for purposes of registration. However, prices will generally run between \$10 and \$15 per person.

From Minnie's we will travel to the **National Civil War Naval Museum (1002 Victory Drive, Columbus)** where we have been able to engage one of their costumed docents to provide a most intriguing tour of their site.

Once our tour of the National Civil War Naval Museum has been completed, we will return to the Marriott Hotel for check-in, and that evening's dinner and "Murder Mystery" presentation at the **Sherlock Theater** downstairs.

Saturday, September 14th

Breakfast Saturday morning will be “on your own”, but the Marriott has a breakfast bar that will be available at a charge of \$15.99 per person. Once we have assembled as a group that morning, our first stop will be the newly restored 19th-century town of “**Historic Westville**”. Many may remember that we visited “Westville” on our first *Fun with Dick and Jane Tour* when it was located just outside of Lumkin, GA. At that time, many of the structures were in varying need of repair; however, it has since been completely restored and re-located to its current site on the outskirts of Columbus, and is without question a huge improvement over anyone’s recollections. Chic-fil-A will cater lunch for us on the grounds of Westville in the newly restored Kiser House, situated on the right side of the entry into Westville.

Once everyone has finished lunch, we will proceed just down the road to the **National Infantry Museum**. This museum is unlike any other, and will leave everyone with mixed emotions of pride, humility, and caring for our military throughout our nations’s history. Although it would be easy to spend numerous hours and multiple days visiting this site, we will nonetheless need to end our tour by 5:00 p.m., which should give us just enough time to return to the hotel in time to freshen up before heading out to dinner that evening.

Our farewell dinner will be at **Broadway Barbeque**, better known as the old bus station (built in the 1930’s) in downtown Columbus. Our reservation is for 6:00 p.m., which should allow for a leisurely dinner, and then a return to the hotel afterwards for casual conversation in their huge lobby.

A detailed itinerary with set departure times, route information, and other venue and registrant information will be circulated at our first stop in Talbotton. Please be sure to note these times and directions so that no one is left behind. If during the tour you anticipate ANY problems or complications, please contact one of the Tour Leaders mentioned in this packet so that we can be aware and provide assistance, or make any corrections and/or adjustments that may be necessary.

In order for us to be able to provide our various hosts with an appropriate headcount for each of these venues, please take a moment to complete the attached *Event Registration Form*, and **return it with your check made payable to Southside A’s, to:**

Mrs. Cheryl Simpson 8735 Watkins Road
