Thoughts from Our Director

Greetings to all,

This month our beloved Director, Miss Jackie, is taking a break from offering words of wisdom. She's been busy arranging many of our activities, including devising, running and rerunning the routes, and generally doing a wonderful job for our club. And sometimes it's best to let your actions say it for you!

It's that time of year again!!

ICE CREAM NIGHTS!

Thursdays at 6:00 pm. You can start with dinner or go straight for the ice cream.....

We've been having a nice turnout. Come and join us!

August Lunch Bunch – August 13, Friday. GARDEN PATCH RESTAURANT

Since the Garden Patch restaurant is no longer open on Wednesday, the **Lunch Bunch** will travel to Barnesville on **Friday, August 13**, to enjoy a back roads tour and a delicious lunch.

Gather: Circle K at the corner of State Route 85 and State Route 16 in Senoia

Time: 9:45 for a 10 o'clock departure.

RSVP: No later than **Wednesday, August 11**, to Gwyneth (gwynshot@aol.com)

SSA's Annual Picnic – Wonderful tour, and lots of great food & friendship.

This year's tour, which precedes our picnic feast and is created by Teri Besch, was quite a treat! Teri took us on a lovely circuitous route around Peachtree City, which took us to Falcon Field and the Warbird Museum of the Commemorative Air Force, Airbase Georgia.

We were introduced to Mr. Willard Womack, a member of the commemorative group, who gave us a truly delightful and informative presentation. He gave us a photo history of the development of flight, contrasted with the developments of the automobile, illustrated with fabulous pictures. Personal anecdotes and unique histories made for a terrific show.

Afterwards, we went into the hangar area to view the various planes the group is either restoring or maintaining. It's an impressive array, not to mention the fascinating WWII-era bomb turrets that a couple of our attendees climbed into to try out. We also got to see the shop where a lot of the work takes place, a dream setup for our mechanically minded guys. But we also saw the handiwork of women members, who are restoring the wing of a warplane, not unlike occupations from Rosie the Riveter's era. All in all, a terrific tour.

Another nice Model A route took us back to the Besch homestead where Grill Master Ray cooked up burgers and dogs to go along with the usual cornucopia to sides and desserts, to make for a fabulous picnic. Thanks again to the Besch's for a great day.

Attending: Jim & Ann Hunter; Larry & Jackie Peterson; Tony Martino and son, Mike; Bobby & MaryJane Cleveland with daughter Brittany/boyfriend Andrew, Kelly Adams and mom, Jeanine; Dave & Fran Birch; Kathy Kelly-Huey; Tom & Liz Romine; Pat & Pam Tyler; Terry and Niva Atkins; Steve Vied; Dick & Pam Carne.

Mr. Womack showing his expertise, including climbing into a fighter to demonstrate gunnery. Did we mention he is 85-years-young?

(cont., next page...)

Mike Martino braves the ball turret with a little initial help. Look closely through the window to see his smiling face.

July Lunch Bunch – Concord Café and Gregg Farms

We've really been spoiled by the unique backroads tours that the Petersons have taken us on this year. And the tour to Concord Café and Gregg Farms was no exception. Our group enjoyed a tasty lunch at the café, followed by peach ice cream for dessert at the farm. We even got to enjoy some live banjo music while sitting in our rockers.

After a nice visit, and time to make some purchases, we were off to home, having had another enjoyable Lunch Bunch tour.

Attending: Larry & Jackie Peterson, Jack & Drena Miller, Mike & Gwyneth Shotwell, Mark & Marilyn Corley, Roger & Toney Allen, Jim & Ann Hunter, Terry & Niva Atkins.

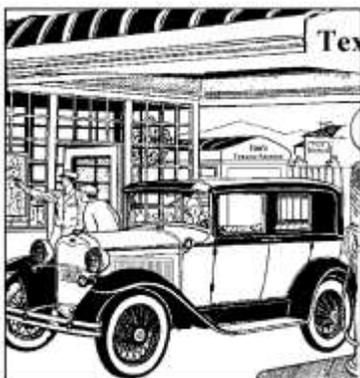

Some of our group at Gregg Farm: Hunters, Shotwells, Corleys, Roger Allen (Toney took the photo), and Petersons.

“Dear Lord, Thanks for being born in the South

And for putting Turnip greens and cornbread in my mouth.”

(Charming decoration at the Café)

Mark your calendar for the next Tech Meet – September 4

The next Tech Meet, headed by our tech guru, Tom Romine, will take place at Jim Hunter's garage in Brooks, on Saturday, September 4 at **9:30 AM**.

The project will entail replacing the rear axle on Jim's Model A Sedan.

We will have refreshments and lunch, as usual.

Watch for a reminder email from Tom, closer to the date.

Planes, Fajitas and Automobiles

August 21

We have an exciting activity coming up, courtesy of club member, **Jay Herrin**. Jay has invited us to bring our A's to his private hangar at Falcon Field. His flying buddies are looking forward to seeing the cars, and will in turn be entertaining us in their planes!

We'll drive our cars through the airport grounds, to a ringside seat alongside the runway for viewing the airplanes. Afterwards, we will head to Jay's hangar for an early dinner catered by **Moe's Southwest Grill**.

This promises to be a delightful outing, and a "mutual admiration society" get together with planes and automobiles. What a fitting follow-up, also, to the recent presentation on the development of both types of wonderful machines when we visited the Commemorative Air Force group.

We will tour to the airport as a group owing to the fact that we need to enter the grounds all together through a designated gate. So here are all the particulars:

Gather: Publix parking lot, behind Chick-fil-A, located at State Route 74 and Holly Grove Road in Peachtree City.

Time: 3:30 for a 3:45 departure for a short drive over to Falcon Field.

Cost: Moe's Fajita Bar Buffet - \$14/per person, including beverage. ****Bring cash to be collected at the gathering place. Please come with correct currency.**

RSVP: No later than Tuesday, August 17, to Gwyneth (gwynshot@aol.com)

August 19th marks **National Aviation Day** a United States national observation that celebrates the development of aviation. The holiday was established in 1939 by Franklin Delano Roosevelt, who issued a presidential proclamation which designated the anniversary of **Orville Wright's** birthday to be National Aviation Day.

FASHION FINDS...

This is our final installment, Children's Clothing, from Jill Barrett's wonderful article, "Looking One's Loveliest in 1930." Thanks also to the MAFCA newsletter online for the link. I hope you enjoy it.

And finally, if you fancied children's clothing or small fashions, in 1930 retailers featured dresses with two pockets to accent the circular skirt, one-piece frock with an open cape, a frock ensemble with pleats in front and an open jacket, a little girl's frock with a scalloped shoulder cape, and a coat becoming to any small child gathered to a round yoke fastened with buttons.

For back-to-school fashions, you found a coat for a little girl, simply made with raglan sleeves, a double breasted front closure, patch pockets worn with a round hat.

For young boys, they emphasized a smart coat cut slightly different from the little girl's but similar in style, had slot pockets, notched collar and was worn with a round sectional cap.

Registration Form Attached
2021 Fun with Dick and Jane Tour
September 16-19

Hello Model A Friends -

I am pleased to finally be able to provide a Registration Form for this year's **2021 (not necessarily annual) Fun with Dick and Jane Tour**. This year we will visit the Augusta, Georgia and Aiken, South Carolina areas. Our host hotel will be the Crown Plaza, located at 1060 Center Street, North Augusta, S.C., and reservations may be made using the group name of "**Model A Tour Group**". **Reservations calls should be directed to Ms. Jeannine Steinkuhl at (803) 349-8406**. Since the Crown Plaza will not recognize a room block, rooms will be available only on a first come-first served basis. Room rates for our group start at \$129.00/night plus taxes and \$9.00/night charges for covered parking. Trailer parking will be available a short distance from the hotel. Because of our inability to obtain a room block from the Crown Plaza, I would encourage those interested in joining us to go ahead and make their room reservations as soon as possible! We will hold the cut-off date open for the tour itself through Tuesday, August 31, 2021.

This year's event anticipates an arrival on Thursday, September 16, with a departure on Sunday, September 19th. The tour itself will begin on Friday, September 17th starting with a tour of the Augusta Canal Museum, followed by a boat tour down the Augusta Canal. Upon our return, we will head across the alleyway to Fatman's for a buffet lunch. Our next stop will be Meadow Garden, home of George Walton, one of the three signers of the Declaratoin of independence from Georgia. From there, we will visit the Augusta Cultural Center based in a turn-of-the-century Roman Catholic Church. Our final stops on Friday will be the Joseph Lamar (Associate Justice of the U.S. Supreme Court) and Woodrow Wilson boyhood homes. Our buffet dinner that evening will be at the B J Country Buffet.

Saturday morning will begin with a tour of Redcliff Plantation (ca. 1857), afterwhich we will return to Aiken for a quick tour of the Aiken Train Depot (ca. 1895 replica). After lunch we will head to the Aiken Historical Museum, and will wrap up the day's tour with a visit to Hopeland Gardens. Dinner on Saturday evening will be at Sconyers (Barbeque) Restaurant.

I hope that you will consider joining us for this year's event.

Safe Travels to us all -

Dick

The Tech Corner

Jim's technical tip

by Jim Cannon,

Mechanic's Gloves are Great!

I resisted wearing mechanic's gloves for many years when working on my old cars. I didn't think I needed them. Let me tell you, I was wrong! They are great!

I found a pack of 15 pair of work gloves on Amazon for \$10 last year, and I am now a believer. They are branded "Grease Monkey". They are red woven gloves that have dipped the fingers and palm into a rubbery polymer that gives grip and protection. You can use them and when they get too greasy, dirty, or torn up, you throw them away and don't feel too bad, because they're only 75 cents a pair.

They help me grip things better, they keep my hands cleaner, the open weave does not make my hand sweat too much, and I am now avoiding a lot of the scrapes, cuts and bruises that I used to get when working on my cars. I do have to remove them for very fine work, but for most of my wrenching, they really help.

And after using them for a year now, I have another low-tech Tech Tip for you: Take a black marker and draw a 3" to 4" line up the back of the left glove every time you pull a new pair out of the package. When you grab a pair off the bench or out of a toolbox to put on, you will quickly spot that black line up the back of the left glove and get the gloves on the right hand the first time. (Lefts and rights look identical at first glance.)

For 75 cents, you'll throw a pair in each car, in your toolbox, and out in the tool shed. What a deal! Until next time,

"Have a Model A Day!"
Jim

MAFFI Newsletter Minute

Model A Day 2021 is fast approaching-September 18th!

Every year in conjunction with Model A Day, MAFFI has a **Swap Meet** on Saturday and MAFFI has a booth with all the proceeds go to the foundation. If you are driving to the event this year, and your club would like to donate a Model A part for our booth, please contact **Greg Fish** (fish_49202@yahoo.com) and let him know. This year's Swap Meet is looking to be one of our biggest and best yet!

The old saying goes, "**Many hands make light work**" and nothing could be truer than at Model A Day. We could use a few volunteers to help at several areas throughout the day on Friday and Saturday. It could be something as simple as selling tickets for a seminar, working a shift at the front gate, helping park cars and so many more.

Any questions regarding the Swap Meet or for volunteers, contact:

Mark Maron (markmaron@gmail.com)

Stay tuned for next month when we will be able to announce the many seminars that will be available for you to attend.

The Trustees are looking forward to meeting each and every one of you this year and are proud to showcase our beautiful museum with our **First Responder's Display**.
