## Notes from Our Director

Well here we are at the end of the year and it seems like this one flashed by before our very eyes. I hope everyone had a wonderful Thanksgiving with your families. We started November with another terrific tech meet at Tom Romine's home. The subject was backing plates and I know everyone there learn some things they never knew. If you've never attended one of these technical meetings I would highly recommend that you come on out. We scouted out Horseshoe Bend National Military Park in Alabama for a tour next year and it looks excellent for a driving tour through the park with our cars. Finally, we had our business meeting at Frank's Old Mill Restaurant and elected the new board for next year. We are happy to be back with our current team and Jackie Peterson has agreed to be our Vice Director for next year.

We have completed our touring calendar for next year and we believe it is one of our most comprehensive plans. Hopefully we have addressed what most of our membership wants driving our cars, providing new venues and fellowship. Take a look in this copy of your newsletter and make plans to join us down the road.

In December we will end the year with a visit to Newnan for Christmas tour of homes and a tour to Callaway Gardens for their spectacular Christmas lights. Make sure you plan to end the year with the spirit of Christmas, get your light tour tickets and make reservations at the hotel today. Finally, do forget to join us at the 12th Night celebration in January. You'll be hearing more about when and where we will have this special gathering.

See you down the road in 2019!

~Jim

## **SOUTHSIDE A's 2019 OFFICERS!**

On Saturday, November 10, more than thirty members of the club gathered at Frank's at the Old Mill for the Annual Business Meeting. The main purpose of the annual meeting is to present a slate of officers for the coming year, which was prepared by the Nominating Committee headed by Bob Simpson. He was joined on the committee by Jim Johnston and Pat Tyler. There were calls for any nominations from the floor, for each of the positions. Receiving none, the club was asked to vote for the nominated slate, and the result was unanimous approval. We're all excited to welcome Jackie Peterson to the Board!

### **The Southside A's 2019 Board:**

**Director:** Jim Wingo

**Vice-Director:** Jackie Peterson

**Secretary:** Kathy Kelly Huey

**Treasurer:** Cheryl Simpson

Charlie Biggs will serve as Member-at-Large.

Prior to the elections we fortified ourselves with a lovely lunch, and even tastier desserts. Afterwards, Jim announced that our Director's Tour for spring, 2019, will take place from May 2-5, and consist of a driving tour to Ducktown and Chattanooga, Tennessee. This will be a wonderful outing to look forward to.

And following all of that we drew for the 50/50, which was won by the consistently lucky Judy Merrill! Three door prizes of advertiser gift certificates were also handed out.

Having done our duty, enjoyed each other's company, and satisfying our appetites, it was time to say farewell. Don't forget our upcoming Christmas Tour of Homes in Newnan on December 7!

# Christmas Tour of Homes in Newnan

## Friday, December 7, 2018

Dick Carne has coordinated this year's Christmas tour of homes of Newnan on December 7th. By way of this email we are inviting all members to join in this event. We also extend an invitation to all Goldmine and Georgia Region members. Details on where we will meet will depend on how many people RSVP to this event. **RSVP for this event should be directed to Dick Carne (dickcarne@gmail.com) by November 30th**, so we can set up a meeting time and place. Again depending on the number of people attending, it is likely we will have an early dinner before starting the tour. **You should purchase your tickets directly using link below (cntrl click)**. Please consider joining in this festive Christmas gathering.

## Front brake backing plates – the November Tech Meet

We took apart a very dirty front brake backing plate. Showing the different parts and their function. Discussed the places to look for wear and how to address the wear.

We looked at installing brake linings onto brake shoes and how to check for wear on the shoes.

We looked at how to center the brake shoes on the backing plates for maximum life of the linings.

We also discussed the difference between 'Flathead Teds' brake floating system and Henry's original design. As to why a brake floating system is a good idea.

### **Those attending (and enjoying donuts to start, hotdogs to finish...):**

Walt Smith, Jim Hunter, Frank Benford, Pat Tyler, Steve Anderson, Jim Wingo, Dick Carne, Charlie Biggs, Don Pelham, Tom Miller, Jack Miller, Bill Paterson, TJ Romine (Tom's son), Conner Romine (Tom's grandson), and of course, Tom Romine.

**(Editor's note:** We are so proud, as a club, to have had an outstanding year of quarterly tech meets organized and conducted by Tom Romine. They are consistently well attended, and Tom really gets rave reviews for his knowledge and presenting abilities. A wonderful asset for the Southside A's. Thank you, Tom.)

# HORSESHOE BEND

From Jim Wingo

Terry Akins, Pat Tyler and Jim Wingo took an exploratory ride to Horseshoe Bend National Military Park in Alabama. Horseshoe Bend is a curvature in the Coosa River where the last and biggest battle occurred between Andrew Jackson's troops and the Upper Creek Nation on March 27, 1814.

While the weather turn stormy for our intrepid drivers, their mission was accomplished and we look forward to visiting this historic park in 2019, the 205th Anniversary of this historic battle. Luckily, the park is made for driving and it is self-guided. So, little walking will be required. Most importantly there is an excellent local restaurant just waiting for us. Look for more on this next year.

## MAFFI Newsletter Minute November 2018

Send a Brick for Christmas!

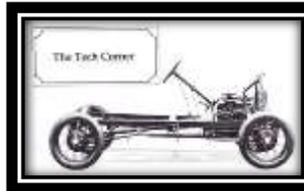

Since 2011, when we first started raising money for the construction of the Model A Museum, about 1550 bricks have been ordered in memory or in honor of your favorite Model A'ers, Model A clubs and regions. We have room under the gas canopy at the Museum for about 110 more bricks. It would be a wonderful thing if we could finish off that area by Model A Day 2019! So how about ordering a brick for a loved one for Christmas. A personalized brick would make a great gift for that parent or grandparent who really doesn't 'need' anything and of course, it would benefit the Model A Museum as well. If your Model A region or club doesn't yet have a brick at the Museum, now would be a good time to do that as well. Use the brick order form in the upcoming issue of the 'A' Preserver or copy and paste this link into your browser:

<http://www.maffi.org/WSContent/Download/BuyABrickDonation.pdf>

It will be in place at the Museum by September 21, 2019.

Merry Christmas and thank you,  
Loukie Smith, Brick Coordinator

## Jim's Tech Tip

by Jim Cannon, MAFCA Technical Director

### While My Oil Gently Drains

Every time you drain the engine oil to change it, while you are waiting for all the dripping to stop, may I suggest you add the following simple items to your oil change routine?

- Check the ignition point gap with a 0.020" feeler gauge. Adjust if required. Look at the points to make sure they still look good (not pitted or burnt).
- Wipe off the ignition cam with a rag. Now put a small dab of fresh cam grease on 2 of the lobes of the ignition cam.
- Put a drop or two of light oil in the little oiler on the side of the distributor. If you have the cam screw with the hole drilled in it, put a drop or two in there, too.
- Put a couple of drops of engine oil in each hole on top of the throttle assembly that is bolted to the back of the engine.
- Check the fan belt for tension.

That's it! In the time it takes for the oil to all drain out, you have taken care of several little routine maintenance items on you're "A" that will help keep it running well and avoid a problem on the road.

## Monthly Member Photos: Charlie & Barbara Biggs

This month we feature Charlie and Barbara Biggs, who hail from Tyrone. We visited their lovely wooded property recently, and got to take a walk through colorful fall leaves for a tour of Charlie's shop, complete with the one-car addition he built when he got his first Model A.

Both Barbara and Charlie attested to Charlie's lifelong love of cars, and how acquiring their Model A coupe has made that love a reality. They even have a unique name for the car, bestowed by one of the beloved grandchildren: Frosty!

The meaning of which remains a

mystery, but the kids just love Frosty.

Charlie credits the club's website for getting him involved. Mike Shotwell's name and number were listed, so Charlie gave him a call. Finding out that they lived so close to each other, he ended up in the Shotwell garage talking Model A's.

Tech meets are probably Charlie's favorite activity and he says he has not missed a single one since joining the Southside A's, and having attended many seminars over the years, he says that learning from Tom Romine is a joy; you're getting the straight scoop from the man who has actually done the work.

Barbara has enjoyed the club, as well, and says her favorite tour was when we went to Noccaluta Falls and Little River Canyon with the Alabama club; the dinner at Gerald's, with all the cars lined up, along with vintage fire engines, was a treat, too. They keep a photo album of all the tours to look back on.

Charlie also said that he gets real satisfaction out of sharing his car with older adults where he encounters folks who well remember these cars. Their eyes light up, and then Charlie invites them to take a seat behind the wheel. It's a real joy of sharing our hobby.

**Friday December 14, 10 AM-2 PM**

This is a special day we set outside each year to have fellowship and show our appreciation to all our Model A friends and customers. The shop will be opened up for a day of fun, and a nice lunch for everyone at noon. We invite everyone to bring snacks and food to share. Of course we would love for you to drive your Model A or other classic cars to show to everyone. Bring your families and friends, all are welcome to this day of fun. We will even have some nice door prizes to share.

This is our way of saying Merry Christmas and Happy New Year to all our Model A Friends.

**This year we will be hosting a Car Show**

This car show will be open to Model A's and any other kind of classic car, pre-1972. We invite you to drive your antique car and show it off to all your friends. There will even be some trophies at the end of the event to show our appreciation. We are excited about this event.

**You might want to bring a chair.  
Looking forward to seeing everyone**
