## Notes from Our Director

We finished the old year with a bang with our tour of the homes of Newnan and Christmas Lights in Callaway Gardens. 2018 was a banner year for tours and I would like to thank everyone for their help in making the year meaningful for our membership. I would especially like to thank Tom Romine for his leadership in organizing our technical meetings during the year. I don't think there is a better way of enjoying the hobby more than understanding what makes our cars run. I don't think there is another club that does it better. Keeping a club running and performing to meet membership expectations is truly a team effort and our team has been the best, all year.

We have a complete and full touring calendar for 2019, please review it in this newsletter and plan to join us for as many tours as you can. Don't forget to join us this Saturday for our 12th Night of Christmas celebration at Frank's Old Mill in Fayetteville at noon. Bring your car, the weather is supposed to be pretty nice. Our first outing this year will be our Valentine's Day Tour on February 16th. Don't be surprised if the weather looks good for an impromptu day outing before then.

I would like to thank our board of directors for their work this past year. It has been a pleasure to work with you this year and I look forward to another with our new board.

See you down the road!

~Jim

## Newnan Christmas Tour of Homes

We had a nice, large group gather together on a crispy evening to tour homes in Newnan, decked out for Christmas. Our rendezvous point was Golden's on the Square in downtown Newnan, where we fortified ourselves with good Southern cooking before embarking on the festive route. We were happy to have been joined by several members of the Gold Mine Region, and we look forward to more combined outings.

First on the tour was Central Baptist Church Sanctuary, just off the square. We were treated to a lovely bell choir concert in progress, adding a musical backdrop to our enjoyment of the lovely interior, complete with stained glass windows, pipe organ, and many original features from its founding in 1898.

From there we went on to visit the historic homes on the route, everyone going at their own pace. The misty evening made the warmth and welcoming homes even better. A

major highlight was a quartet of beautiful singers performing Christmas carols on the curved front porch of one of the homes, and the two men and two women were attired in the period of Charles Dickens, reminiscent of *A Christmas Carol*.

The evening wound up with several participants returning to the home of Dick and Pam Carne for yet another beautifully decorated home and a bounty of delicious goodies.

It was a wonderful kick-off to the Christmas season.

(Thanks, once again, to Jim Wingo for his wonderful photos!)

## Callaway Gardens Festival of Lights, 2018

Furthering our Christmas spirit of the season, a few of us made our way to beautiful Callaway Gardens to experience driving through the annual Festival of Lights. First-timers and repeat visitors alike were enchanted by this display of over 8 million lights, wow!

The Tylers, Atkinses and Shotwells drove their Model A's, as did the Gambles and a few others from River Cities. The advantage of the Wingos riding modern with Tom & Betty Miller, was Jim's fast escape from the car to grab a couple of photos of our Model A amongst the lights. Thank you, Jim!

We also enjoyed seeing Santa's Village and holiday treats and trinkets afterwards. Thanks to Pat Tyler for planting the seeds for this fun tour.

## MAFFI News

December 2018

This past Model A Day, we were fortunate enough to acquire Tim Kelly's Town Car and Town Car Delivery collection for a stellar display at your world class museum. The Board of Directors and trustees were sad to see the cars loaded up for their journey back to Connecticut at the festivities end. If only we had a Town Car of our own to display. As fate would have it, our President, John Begg, was introduced that day to Mr. Pete Walstrom of

Washington who was in attendance to see Mr. Kelly's collection. It turned out that Pete owned a 1929 Town Car, and had thought of loaning it to The Foundation. He had restored it himself and wanted his efforts recognized and enjoyed by people from all over the country. The two men spoke a few more times over the weekend, and ultimately a deal was struck to ship the car from Washington to The Gilmore for display. It is a stunning car and has taken its rightful place as the focal point in the showroom entrance as the classiest model offered by Ford for 1929. A portrait of Henry himself hangs above the car with a look of approval on his face. Plan a visit to your museum soon, and see this amazing Model A in person.

Greg Fish,  
MAFFI Trustee

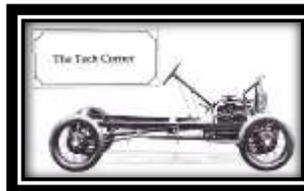

**Southside A's Board of Directors** has made a **\$100 contribution** on behalf of our club to MAFFI for 2019. This important donation, which we are continuing from the past few years, will help the Foundation to continue its important work of maintaining our wonderful museum.

### Valentine's Day Tour - Saturday, February 16, 2019

We will venture to Warm Springs, GA, to the famous Little White House where we will enjoy a tour of the home FDR so fondly visited, until the day of his passing in April, 1945.

Lunch in the area will follow. Stay tuned for more information!

## TINY TIPS

---

**W**

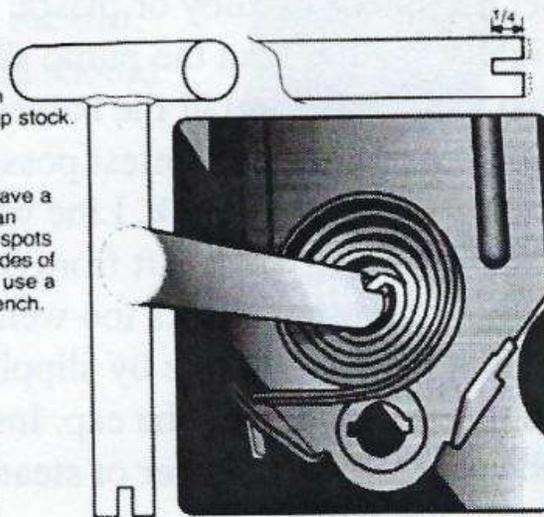

### WINDOW REGULATOR SPRING TOOL

Sometimes a window regulator spring will either break or become so weak that it makes it hard to roll up the window. Installing a new spring can be difficult and also dangerous.

Take an old distributor shaft and weld on a T handle made from rod stock. Grind down the slotted end so the slot is only 1/4" deep. Put the regulator in a vise and wind it until the lift arm is all the way up. This is the position in which the spring is least compressed. Hook the outer hook of the spring and insert the tool in the center. Turn the tool to compress the spring until it fits into the slot. Release the tool. Tap the spring into position with a hammer.

Make a T handle by welding on some scrap stock.

If you don't have a welder you can grind two flat spots on opposite sides of the shaft and use a Crescent Wrench.

## CAVE ADVENTURE – MARCH 14-17

### Central Alabama Model “A” Ford Club

The Central Alabama Model “A” Ford Club invites members of the Southside A’s to joint us for a “Cave Adventure” March 15-16, 2019. This will be a hub tour from Oxford Alabama.

#### TOUR OUTLINE

**THURSDAY MARCH 14:** Arrival, check in the motel, and visit local antique stores. In the evening dinner will be on your own, there are several nice restaurants near the motel, the desk clerk can help you with your selection.

**FRIDAY MARCH 15:** In the morning we’re off to Desoto Caverns for a tour which consists of a series of caves in Childersburg, Alabama. Located in the foothills of the Appalachian Mountains, it is touted as "Alabama's Big Cave". In 1796, George Stiggins, a presidential agent, wrote to President George Washington describing the beauty of the cave, making Desoto Caverns the first cavern on record in the United States. After the tour we’re off to a local restaurant. After lunch we’re back in our trusty Model “A” Ford for a short drive to the Blue Bell Ice Cream Creamery for a tour and to sample some great ice cream. In the evening we will conclude the day’s activities with the “Firehouse Dinner” at Gerald Grizzard’s Model “A” Ford museum.

**SATURDAY MARCH 16:** In the morning we’re off to Centre Alabama with stops at several antique stores, and a local restaurant. After lunch we saddle up again in that “ole” A Model and drive to Cave Springs, Georgia. We will tour Rolater Park & Cave located about 14 miles southwest of Rome Georgia and 5 miles east of the Alabama state line on US HWY411S / GA HWY53. We will step back in time when the natural limestone cave was being created, with its stalagmites and legendary “Devil’s Stool” formation. After the tour we head back to home base in Oxford, Alabama. In the evening dinner will be on your own to dine at one of several restaurants in the area.

**SUNDAY:** Checkout and depart for home

**HOST MOTEL:** **The Sleep Inn, 88 Colonial Drive, Oxford, Alabama (256) 831-2191** is the host motel. Request reservations be made before February 18, 2018. In order to receive the group discounted rate of \$79.00 plus tax be sure to mention that you are with the Central Alabama Model “A” Ford Club “Cave Tour” when making your reservations to get the group rate. Attached is the tour registration form.

Fire up “Henry’s finest and joint us for a weekend of adventure and good “ole” Model “A” Ford touring and fellowship on the Model “A” Highway. If you have any questions contact Gerald Grizzard at (256) 310-6463, email [gfireman52@aol.com](mailto:gfireman52@aol.com) or Paul M Majerick at (334) 312-3029, email [paulmajerick@aol.com](mailto:paulmajerick@aol.com)
