## Thoughts from Our Director

Greetings to all,

Unlike last year, the club was back in full swing during the month of May. It was wonderful to, once again, enjoy being together and doing those activities that bring us pleasure.

Dick and Pam Carne put together a neat trip with lunch at the Barnstormers Grill at Candler Field and then a tour of the Bailey-Tebault House in Griffin. The old home is owned by the historical society and is used for special events. What a treat!

The routing for the trip was put together by Jim and Ann Hunter. It was a delight and a good blend of country roads that were enjoyed by all.

We had an extended an invitation to the Early Ford V-8 Club to join us for the day and were delighted to have 7 people from that club to do so. With both clubs we had a total of 28 participants.

Larry and I came up with a circuitous, less traveled, back roads routing going into scenic parts of Fayette, Clayton, and Spalding counties for the first "Lunch Bunch" tour of the year. Our destination was Southern Pit Bar-B-Que in Griffin. There were 15 of us who left from there with full stomachs and smiles on our faces.

Don't forget about Thursday ice cream nights at Culver's in Newnan. That's a good reason to get your A's out at least weekly.

Lastly, wishing an early "HAPPY FATHER'S DAY" to all you guys.

Let's keep our A's rolling,

-Jackie

It's that time of year again!!

**ICE CREAM NIGHTS!**

**Thursdays at 6:00 pm.** You can start with dinner or go straight for the ice cream.....

Every Thursday 'till Fall. Bring you're A and we'll see you there!

## MAY WAS “GRIFFIN” MONTH!

**First up was our wonderful tour** to Barnstormer’s Grill at Peach State Aerodrome, over an incredible route devised by Jim Hunter. Led by Dick and Pam Carne, we left from Flash Foods/Circle K in Senoia and took a meandering drive over roads I’m sure many of us had never traversed. Never was a trip to Williamson, Ga., more enjoyable. Among the travelers were members of the Early Ford V8 Club, namely Tommy and Buddy Croft (Pam Carne’s dad and brother, respectively); Clarence & Betty Haven with daughter, Michelle; and Ray & Barbara Allen.

We even got to see Tommy Davis after a long spell, as well as welcoming Charlie and Barbara Biggs back on the tour circuit. Kelly Adams and her mom were there, along with Dave & Fran Birch, Larry & Jackie Peterson, Mark & Marilyn Corley, Mike & Gwyneth Shotwell, and Tom & Liz Romine. Joining at the Grill were Bob & Cheryl Simpson, along with daughter, Amanda, and grandson (apple of Bob’s eye!), Walker.

After a tasty lunch and some airplane spying, we headed off for a short jaunt to Griffin, where we visited the home of the Griffin-Spaulling Historical Society, the Bailey-Tebault House. Built c. 1859, this spacious and gracious home is perhaps unique in that it is truly used as a venue for all kinds of celebrations and activities. Having had many incarnations over the decades, the home has furnishings that have all been donated to show the original time period; and the result is stylish and roomy, with chairs and sofas you can actually sit in. It’s apparent the volunteer staff loves and appreciates the home, and the opportunity to show it off in so many ways. It was a treat to see.

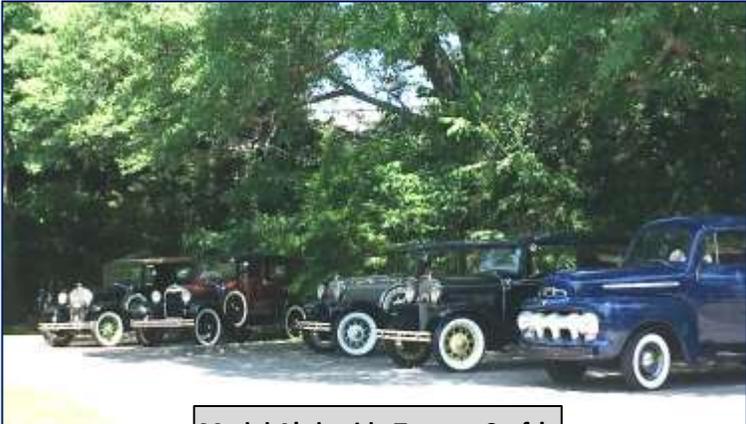

Bailey-Tebault Home

Next up was our first Lunch Bunch tour of the year, which took us once again to Griffin to the longtime favorite McGhin's Southern Pit Bar-B-Que. The Petersons put together an excellent, roundabout route, over rivers and across county lines, past lovely neighborhoods and fields with grazing cows. (*Southside A's are going to become spoiled by these outstanding itineraries!*)

Five Model A's took off from Fayetteville (Petersons, J. Wingo, R. Besch with friend, Dave, Shotwells, Tom & Betty Miller) and rendezvoused with four more from our Loganville contingent – the Corleys, Roger Allen, John DeBroux, and their friends Steve and Jackie Godby.

We enjoyed the winding model train making its way through the several rooms of the restaurant, which is decorated with a quirky variety of “old timey” paraphernalia, ranging from bicycles, farm implements, automobilia, product signs, photographs and so much more. The BBQ was delicious, and Jackie Peterson contributed indulgent chocolate candies for dessert. And suitably filled up, we headed back from whence we each came, with the Fayetteville group travelling yet a different path home.

Lots of Model A's make it to lunch!

## FASHION FINDS...

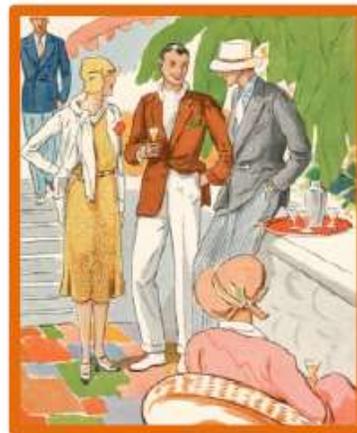

This month's offering from Jill Barrett's wonderful article, "Looking One's Lovliest in 1930," is especially appropriate for celebrating **Father's Day!** Thanks again to the MAFCA newsletter online for the link. I hope you enjoy it.

Although we look back at 1930 and think of great hardships, there were many who could afford nice fashions and men's fashions played a part in generating profits in the fashion world.

In the spring of 1930, Men's Wear distributed a sales tool that provided trends to help boost sales. The forecast gave details of the latest trends in Palm Beach, Florida, the fashionable destination filled with the cream of society in the sunshine state.

In March of 1930, Men's Wear conducted a survey for popular summer wear and revealed that the sports jackets and the sense of informality would be a part of the well-dressed man. Single breasted jackets with notched or peaked lapels, and three-buttons would be the fancy of most men with the majority of the jackets having a plain back verses belted. Close behind in popularity were the double-breasted jackets.

Jackets were noted as longer, averaging 31 inches, while the vent is favored by most well-dressed men in the survey. Of those jackets, the popular colors were gray, tan and brown. The favored fabrics were

tweed followed by flannel and gaberdine. Flannel slacks were very popular and men preferred the color white, followed by striped and gray. When selecting shirts, they found white was most popular, followed by blue and then tan. All natural hues were a safe choice. An important development noted in the shirt line were oxfords. The "low dip" feature in attached collars were trending with the new trend in collars with a shorter point. Men selected collars with points held in place with buttons. With neckwear, small figured foulards and cotton fabrics continued to lead with an increase of bold patterns.

### Optional tour:

## Blues Festival at Historic Zion Church, Talbotton, GA

**Saturday, June 26th from 10AM-6PM.**

Liz Horne let us know about this event. As part of the Dick and Jane Tour to Columbus a couple of years ago, we visited Zion Episcopal Church in Talbotton, which was in need of serious restoration. By voting for the church in a competition for grant funds, the Southside A's helped them win the \$100,000 Historic Columbus grant in 2019. That went a long way to enable the complete exterior restoration, which has been completed at a cost of over \$250,000. Some of you may remember that it is also home to an 1850's Pilcher Organ - the only one of that model working in the United States.

So, Historic Zion Church is hosting a Blues Festival, and it's a great excuse for a beautiful Model A drive to Talbotton to enjoy great live music, food and fun and to help celebrate the church's "debut."

Tickets can be purchased on site the day of the event. \$15 per person, 3 or more, \$10 per person.

**If anyone is interested in going as a group (you can certainly go individually!), let Gwyneth know. If there are enough takers, we'll see about a caravan down there. [gwynshot@aol.com](mailto:gwynshot@aol.com)**

## SAVE THE DATE!

### 2021 (not necessarily annual) Fun with Dick and Jane Tour September 16-19

This year's tour will take us to the Augusta, GA, and Aiken, SC, areas. We have a number of late 18th and early and mid-19th century homes lined up, as well as a canal tour down the Augusta/Savannah River canal. We're also hoping to enjoy at least one car collection. We will be staying at the Crown Plaza in Augusta, a lovely venue situated along the river. We anticipate that some of the folks from both the Shade Tree A's and the Aiken A's may join in for portions of our outing, and this will be the September activity for our friends in the Central Alabama club as well.

We are still finalizing a few things, but it is shaping up to be an enjoyable and varied tour. So please mark your calendar and plan to join us. More information will be coming along as plans solidify.

Can you find the nine things that are different?

Our Annual Model A Day is fast approaching and since our last year's event had to be postponed to this year, all of our displays are already in place, just waiting for your arrival! We talk a lot about all of the beautiful cars that are on display in the Museum but did you know that there are many era fashions that are also on display year round. Our museum fashion director, Linda Morford does such an excellent job of keeping these displays fresh and ever changing. This year we have changed out a couple of our mannequins to wear our First Responder outfits.

If you have been to the museum in the past, you may have noticed "Dolly" donning her lovely vintage housedress and apron. This year, Dolly has been transformed into Nurse Dolly. Her uniform is thanks to a find by Executive Director, John Marshall and the beautiful cape came from Julie Kluttz, of the MARC Fashion Committee. Don't worry, she will have white shoes by Model A Day!

Officer Delaney was once our Good Humor Ice Cream man. He now proudly wears an authentic Police Uniform also donated by John Marshall.

Our fireman (yet unnamed) is wearing a complete era fireman's outfit thanks to Ken Ehrenhofer. I was there when they were dressing this guy and let me tell you, it's not easy putting those boots on a mannequin! A hole needed to be cut in one of the boots in order for it to fit onto the stand. Fire boots were not meant to be cut into!

Hopefully you will be able to make it to Model A Day September 18<sup>th</sup>, to see these wonderful displays in person. For more information go to our website at: [maffi.org](http://maffi.org). Start making your plans now, it's gonna be great!

See you in September!!

### Tiny Tips

#### WATER PUMP FIXES

If the water pump shaft travels forward too much in service, resulting in the fan touching the radiator or excessive wear on the fan belt and pulleys, here's a quick fix without removing the radiator, pump, etc.

Get a 2" piece of alloy or plastic pipe with an inside diameter slightly smaller than the pump shaft outside diameter. Saw the pipe lengthwise and fit the halves around the shaft. Secure with two hose clamps of shortest possible length, with the fan position pushed toward the block. Line with inner tube rubber if too loose. The halves keep the shaft from travelling.

If the water pump works too well, throwing water out the overflow, a quick fix can be made by slipping a piece of rubber tubing over the tube, just clearing the cap. Insert a wood screw loosely in the tube to allow some water or steam to escape.

# NATIONAL TOURS – 2021

## 2021 National Meet Date

We're happy to announce that the "new" date has been set for the postponed 2020 National Meet in Oshkosh. It will be held on June 7th to June 11th, 2021. Even though the event will be in 2021, we will still be considering it the "Focus on 2020 in Oshkosh" meet. All merchandise i.e. hats, shirts, mugs, etc. will reflect the 2020 meet. The Nickle "A" Region and MARC have a lot of money invested in the 2020 meet. We trust the MARC membership will understand as to why this meet will not be referred as the 2021 meet. MARC members who ordered shirts, hats or mugs with their 2020 registration have been mailed their items. Hopefully they have shown them off at local regional meetings. To give all MARC members a chance to get reservations at the host hotel, we have set a reservation date with the Best Western. They will start taking reservations on August 20th, 2020 starting at NOON. Their phone number is 920-230-1900 and be sure to mention MARC. The meet registration form will be in the January/February 2021 MARC News.

MARC your calendars with the dates,  
so you won't miss the...
