Thoughts from Our Director

Greetings to all,

We asked for your input as we made plans for the New Year. What we heard from you was a desire to have more group opportunities to drive your A's. Therefore, we are adding two additional activities per month, beginning this month.

Starting Monday, March 9, at 6 PM, we will have a dinner meeting at Tim's Country Kitchen Buffet in Fayetteville. After paying for your meal (be sure to ask for the senior rate if you qualify), go to the private room in the back. The room has been reserved for the club for the second Monday at 6 PM for the remainder of the year.

Every third Wednesday of the month we'll tour to a different restaurant for lunch, trying to cover the various areas where our members live. The gathering point will change depending on the destination. For this month, March 18, we'll have lunch at Southern Pit Barbeque in Griffin. See details elsewhere in the Newsletter. The upcoming destinations are as follows: April 15, Concord Cafe in Concord; May 20, Leather's Cafe in Villa Rica; June 17, Taste of Lemon Restaurant in LaGrange; July 15, Green Manor Restaurant in Union City; August 19, Italian Oven in Peachtree City; September 16, Irish Bred Pub in Douglasville; October 21, The Little Hawaiian in Carrollton.

Although meeting every Thursday night at Culver's in Newnan isn't a new activity, it will resume in April.

Hooray! Daylight Saving Time begins on Sunday, March 8, so that will give us an extra hour of daylight for touring.

Be sure to mark your calendar for the second Monday night, third Wednesday and every Thursday evening so that you don't forget. Hope you can join us!

Let's keep our A's rolling,

-Jackie

Note regarding lunch tours: When the venue is some distance from where you live, we encourage caravanning with others nearby, to either the gathering place or lunch venue. We have clusters in LaGrange, Carrollton/Villa Rica, Newnan, etc. It's more fun together! Check out your club roster if you haven't already met your neighbors.

Recap of the Valentine's Day lunch & Mardi Gras Parade!

Saturday, February 15, 2020

Our annual Valentine's Day get together was another enjoyable outing, with close to forty members attending. We gathered at Golden's on the Square in downtown Newnan, and due to the popularity of the area on the weekends, we had Model A's scattered around wherever parking was available. Of course, they still drew admiring looks from folks milling about the square.

It was great to have our newest members, Ben and Jill Dyke, join us from up in Marietta. There was never a lag in conversation as the newcomers were folded right into our merry band of terrific people. And since they also went on to LaGrange for the Mardi Gras parade, we know they are going to be a great addition to the club with their wonderful enthusiasm.

Newnan Truck across from Golden's- perfect vintage

It was also really nice to have a short visit with Eugene Willingham who stopped in to say hello; we wish Kathleen all the best in her recuperation.

Terry Atkins did a great job organizing both our lunch venue and details for those who participated in the Mardi Gras parade Saturday evening. He was a valuable asset to the Krewe of Mask! There were eight Model A's from the club including Taylor Merrill with his dump truck carrying a small musical combo; Judy Merrill riding in their roadster; Terry, who was joined by his granddaughter; the Dykes; Bobby and MaryJane Cleveland; Joe Fegundes; and a mystery "A" who we think carried Mark and Pat Gamble from SSA's and River Cities. Leading the whole shebang was our own Pat Tyler who was chauffeuring the Grand Marshall, Patty Youngblood. By all accounts it was a rousing event, made festive with the throwing of colorful bead necklaces from the cars, and other goodies (like mini Moon pies!) tossed from floats.

We hope to make the parade a club event next year, so stay tuned..... (group photo, next page)

First Tech Meet of the Year

“Electrical Troubleshooting to get you Home”

On Saturday the 8th of February we discussed ignition trouble shooting. In order to understand this topic, we discussed different electrical testing meters. A cheap \$6.00 meter will work, for these tests, as well as a \$400.00 unit.

We discussed how to properly terminate wire terminal connectors.

We also looked at a table demonstration of the Model 'A' Ignition System, in order to show different points to be tested. Discussed the importance of the Points and the Condenser; how burnt points will give additional resistance to the circuit, which in turn will lower the voltage to the coil and the plugs. If the condenser is shorted, you will not have power to the points, and not allow the coil to fire.

The ignition circuit is basically the same for 6-volt systems or for 12-volt systems. Just the rating is different on the components. Everyone seemed to learn something from this topic. (Next Tech Meet, May 9. Mark your calendar!)

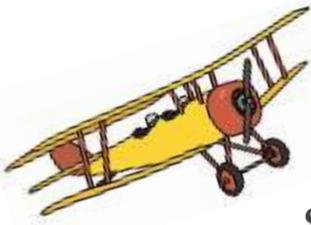

Attending: Pat Tyler, Terry Atkins, Charlie Biggs, Ben Dyke, Frank Benford, Jack Miller, Johnnie Hobbs, Wilbur Albright, Ray Besch, Don Pellham, Dick Carne, Bill Patterson, Conner Romine, T.J. Romine, Jim Hunter, Larry Miller, Larry Peterson, Fred Huey, Jim Wingo, and Tom Romine.

NEED A CLUB NAME TAG?

Now you can order direct from **Shirts Atlanta, LLC**, located in Tyrone. They have been providing our tags for many years and have everything set to go.

Simply email them at Info@ShirtAtlanta.com or give them a call at 770-487-9399. They will handle everything for your order, and mail it to you. If you live close by you can also stop in and pick up yourself.

Staggerwing Fly-In at Peachstate Aerodrome

PLUS

Griffin Opera House Tour

Saturday, March 28, 2020

Join us for a scenic backroads tour that will take us to the Peachstate Aerodrome in Williams. The national groups of Staggerwing Biplanes, as well as Radial Round Engine planes, will be flying in over the weekend, which should mean being able to see a wide variety of planes, and hopefully see some landings and take-offs. We will lunch at Barnstormer's Grill at 11:30.

After lunch, and some plane viewing, we will head to Griffin to take a tour of the historic Griffin Opera House. Built in the 1800s, and now used as an event center, it has been restored to reflect its original décor. If time permits we may have an additional venue to explore, and there are also nice antique stores nearby.

Details for our drive are still being developed, so gathering place and time will be emailed as soon as possible.

Please RSVP so we don't leave you behind for the tour! Contact Gwyneth (gwynshot@aol.com).

EMAIL ADDRESS REQUEST: It has come to our attention that the Newsletter and club news sent via email (and the important information included therein) is not making it to both members of many households.

To correct this frustrating situation we would like the concerned parties, namely wives (!) to please send your email address to Jim Johnston to be included on the roster, as well as all email distribution lists for all notices.

Booth Western Art Museum – April 18-19

Overnight tour to Cartersville

Whether you are a Western history buff, a lover of Georgia history, art lover, antique shopper, or any other persuasion, you're sure to enjoy this overnight tour in the lovely month of April.

We will travel the backroads (some from Palmetto, others from LaGrange, converging on the way) Saturday morning. After arriving in Cartersville around noon, your time will be your own to explore the world-class Booth Museum, possibly taking a guided tour that is offered at 1:30 in the afternoon.

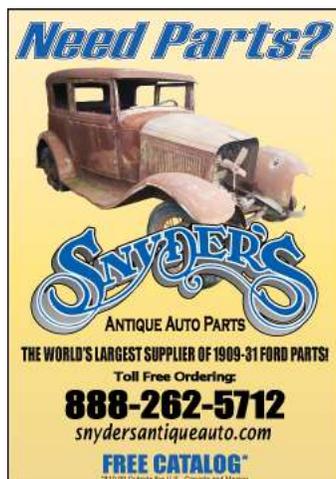

Head out the back entrance and you are steps away from the historic downtown of Cartersville where you'll pass by the beautiful Bartow History Museum, also a worth stop to explore 200 years of local history in the original courthouse building. You might hear or see a train roll by on the nearby tracks as you take a leisurely stroll past the shops, both modern and antique, restaurants, and landmark buildings. Lunch can be enjoyed either at the Booth Museum Café, or at any one of the offerings around the square.

That evening we will gather together for dinner at a restaurant near our hotel, about a fifteen minute drive from the Museum area, and share tales of the day's adventures. Sunday morning we will head home, taking a different route that's sure to please.

Our hotel is the **Holiday Inn Express**, 5628 Highway 20 NE, Cartersville. We have a block of rooms at the rate of \$104/night for 2 Queen beds (king may be requested), total \$124.60. **Book your room by April 1** to receive the group rate. You may use this link to book online [HOLIDAY INN EXPRESS CARTERSVILLE: MODEL A CLUB](#). The page is all set up so you just have to choose the "Book Now" link and continue to finalize. Or you may call 770-606-0309 ext. 2 and request the Model A Club rate if they would prefer.

The Tech Corner

Jim's Tech Tip by Jim Cannon

Check Your Oil Filler Pipe and Cap

Many Model A owners experience excessive oil leaks when driving their car, often out the rear main seal. One simple thing that can cause this is a restriction in the oil filler pipe. Take the cap off and look down the pipe with a good light. You should only see a series of little metal baffles, half-moon in shape, inside the filler pipe. If you find where someone has covered the pipe with a sock, or stuffed a piece of cloth down in the filler pipe to stop oil from coming out the filler when driving, this will put pressure inside the crankcase and force oil out the rear main seal while you drive. Easy to fix: get that stuff out of there!

While you have it off, also inspect the inside of the oil filler cap. It, too, needs to be clear inside. No pieces of steel wool, pot scrubber, or old sock in the cap! Look for evidence of someone accidentally pushing the oil filler cap on too far. When you do, you bend the little tabs inside the cap and mash it all the way down on the pipe. This blocks the engine's ability to vent the crankcase, builds up pressure, and causes a bad leak out the rear main seal.

I hope this little tip helps you stop that oil leak while driving. Have a Model A Day!
Jim

MAFFI Newsletter Minute – March, 2020

Buy a Brick!

Since 2011, when we first started raising money for the construction of the Model A Museum, about 1580 bricks have been ordered in memory or in honor of your favorite Model A'ers, Model A clubs and regions. We have limited room left under the gas canopy at the Museum. It would be a wonderful thing if we could finish off that area by Model A Day 2020! So how about ordering a brick for a loved one for Father's Day, Mother's Day, Anniversary or just because. A personalized brick would make a great gift for that parent or grandparent who really doesn't 'need' anything and of course, it would benefit the Model A Museum as well. If your Model A region or club doesn't yet have a brick at the Museum, now would be a good time to do that as well. Use the brick order form on our website (you will need to print it, fill it out and mail it) to order your engraved brick or copy and paste this link into your browser:

<http://www.maffi.org/WSContent/Download/BuyABrickDonation.pdf>

It will be in place at the Museum by September 19, 2020.

WW II HERITAGE DAYS – FALCON FIELD

MAY 2-3, 2020. Pre-war cars wanted.....

“A restored B-17 Flying Fortress, “Texas Raiders”, will arrive for the 17th annual World War II Heritage Days, May 2-3, at the Atlanta Regional Airport – Falcon Field in Peachtree City, Ga. Ground tours will be available, and rides can be purchased for flights Saturday and Sunday. The public also will have an opportunity to meet B-17 crewmen and other World War II veterans during the weekend, which this year is dedicated to the 75th anniversary of the end of WWII.” – Press release.

The organizers of this year’s Heritage Days would like to have pre-war vehicles on display one or both days for the event. Participants will receive free admission as well as lunch for sharing their cars. You may bring one guest, however, both people need to register separately in order to take part. **Go to wwiidays.org to register.**

They would like to have cars there both days but it is not mandatory. The Georgia State Defense Force will be on site overnight for security. There are about 20 military vehicles that will be left overnight.

There is also a swing dance on Saturday night with reduced rate tickets for “volunteers” (any participant with a car is considered a volunteer). Once you register on line, an email will be sent with the dance ticket website in case you would like to attend the dance on Saturday night at a reduced rate (\$45.00 pp instead of \$75.00 pp) while tickets last. They sell out fast!
