Notes from Our Director

Well we are swinging into the heavy tour season and I hope that you plan to join some of our planned tours this Summer. We're going to have some fun. People have often asked me why I got into the hobby of Model A's. I am sure everyone has a story on why they are in the hobby. Mine is pretty simple, I have always enjoyed cars and I can remember as a young boy waiting anxiously for the next new car year. Who can ever forget the day you saw your first 1957 Chevrolet? The most spectacular car and the one that impressed me the most was an old Model A that traveled down the road in front of my house when I was about 12 years old. It was an old coupe with a rumble seat and the guy driving it looked like he was having the time of his life. What a neat car I thought to myself. Even back in those days the Model A was a head turner. I promised myself at that early age that I was going to get one of those cars one day and I never forgot the promise. Unfortunately, it took nearly fifty years to get to a point where I could get one. We've all heard the excuses too little time, too little money, focused on different things like kids and careers. Well when I turned sixty, I decided to pull the trigger and I bought my 1930 Roadster and never looked back. The simple purchase of this car lead me to friends, knowledge and fun.

As an aside, this week we partnered up with the Gold Mine Region to tour out to the Blue Willow Inn in Social Circle. Following lunch we met the Georgia Region at Hard Labor State Park for dessert and fellowship. In total I think we had at least fifteen cars at the end of the day. If you missed it you really missed a good one. On this very nice day I had the honor of meeting Harold Dye's wife, Barbara. She commented that after all the years of driving Model A's, she never met anyone that she didn't like. I agreed with her, the hobby seems to just attract nice people that are always willing to spin a good story or lend a helping hand.

I am sure that each of you have a story to tell on why you got into the hobby and speaking for the editor, we would love to hear and see pictures of your Model A's journey. Tell us about it and share it in our newsletter. Speaking of the Newsletter editor, I would like to recognize Gwyneth for being awarded the "Highest Achievement Award for 2016" from the MARC organization. This is a high honor and well deserved for all of the hard work Gwyneth puts into our newsletter.

As always, let us know how we can make the club better. Let's hear your ideas and if you've never planned a tour I encourage you to do so. Just let us know how we can help you.

In the meantime, see you down the road,

~Jim

JOINT TOUR - BLUE WILLOW INN & HARD LABOR CREEK STATE PARK

By Gwyneth Shotwell

Ah, Spring. Members of the Southside A's, Gold Mine Region and Georgia Region got to enjoy the lusciousness of the color green this past Saturday on our tour that culminated at Hard Labor Creek State Park.

Dick Carne arranged for our club members to meet up in Fayetteville and then led us on yet another spectacular journey through our beautiful area. In fact, Mike and I would like to return to the greater Covington area and their historic downtown; so much to see in that lovely area.

Arriving in Social Circle at the Blue Willow Inn, we met up with members from Gold Mine Region, along with Frank & Mary Helen Benford who made it over from Roanoke, AL. Then it was time for the famous buffet lunch in our own quiet room. The fellowship we have come to expect in this wonderful hobby was in full bloom as well; it was something I really enjoyed sharing with my brother, Bryan, who was visiting from California. He said the tour was a highlight of his trip, and he noted especially all the nice people he met.

I was pleased to have Jim Wingo present me with the plaque and certificate from MARC for Highest Achievement for the 2016 Newsletter. I want to thank those who have contributed, helping to make it "our" newsletter. Thank you.

(Thanks to Steve Mayer for his fabulous photos!)

CONTINUED, NEXT PAGE...

After lunch we were in for another great Model A drive over to Hard Labor Creek State Park where we met up with members of the Georgia Region, as well as Southside members Harry & Penny Saunders and Marshall & Marilyn Coreley. We were a large and happy group, partaking of ice cream and cupcakes courtesy of the aforementioned GA Region. It was a great day, with cooperative weather to boot!

Featured Photo of the Month: (As with 2016, we will be featuring photos that glorify the Model A in all its varied styles, and enhanced by beautiful or intriguing settings. Keep track of your favorites throughout the year and we will once again take a tally and announce the winner for "Miss 2017.")

be a great time to do it. Each brick is \$150 and the form can be found at www.maffi.org. Don't forget to send the check and form to our new address. MAFFI, P O Box 28, Peotone, IL 60468-0028.

The plan is to go through a couple of horn's to see what we can learn. We have two available. Do not know what is wrong with either at this point. Save the Date Notice

Teri & Ray are anxiously awaiting your commitment to join them on **June 3rd** at their home in Peachtree City.

Last year an old tradition for a membership social was revived. This started soon after the SSA'S was chartered. The reason was and still is for members to rally with their A's and socialize as it is sometimes difficult to meet and get to know the other SSA members.

We also encourage you to **"invite"** anyone that may have an interest in our hobby. This is an excellent time for everyone to tire kick or discuss a problem you may be having with your car. Potential members can also look at a variety of A's and meet the membership. All we ask is that you bring a dish to share. Please RSVP soon so we can have enough food for everyone.

When you RSVP, give us an idea of what you plan to bring. We will need desserts and side dishes. Hamburgers and hot dogs will be provided.

Please respond by email: besch105@comcast.net or home phone: 770 487-9215. Leave a message if no one answers.

- **The date is Saturday, June 3rd**
- **Place:** 105 Parsons Place Peachtree City
- **Arrival time:** No later than 9AM
- A tour will be led by Teri to the **Holiday-Dorsey-Fife Museum**, 140 West Lanier Avenue in Fayetteville, GA. This Greek revival antebellum house was built in 1855. **(There is a \$4.00 fee per person required for the museum tour that takes 45 minutes to 1 hour.)**

SENOIA MEMORIAL DAY PARADE

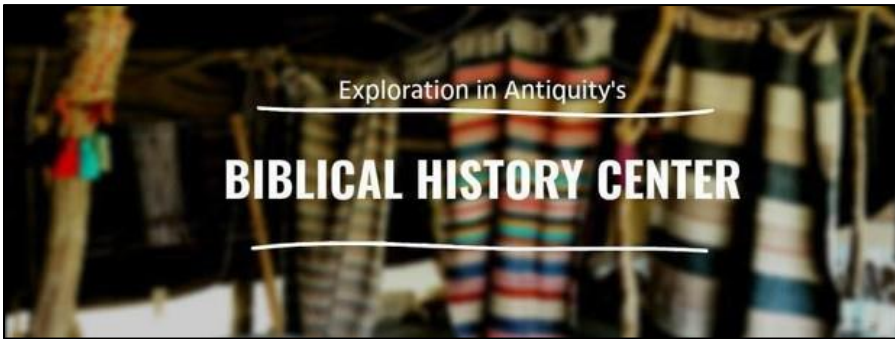

The Southside A's are always a joyous part of this annual parade in one of our most charming communities.

Plan to attend and enjoy the food, music and fun that precedes the happy procession.

Details will follow via email.

Tour of the Biblical History Center, Lagrange Georgia

Saturday July 15, 2017

Depart Sam's Club, Sharpsburg, at 8:30. Depart Antiquities Center at 2 p.m.

This is a tour that can be enjoyed by everyone. We begin our day at 10 a.m. with a walk through the archaeological replica garden where full-scale reconstructions of structures relevant to daily life in Biblical times bring history to life. Four areas of ancient life are represented in our Archaeological Replica Garden: Life of the Shepherd, Life of the Farmer, Life of the Village, and Roman Theater and Market Street. Your tour will leave you with a new understanding of life in Old and New Testament times.

Then at 11 a.m. we will enter the ancient world. When scriptures say "Jesus reclined at Table," we will understand what likely occurred at the last supper. There are two rooms with reclining tables: the "Jerusalem Biblical Meal Room" and "Mount Zion Biblical Meal Room". Both of these ancient cities were destroyed by the eruption of Mount Vesuvius in Italy in 79 C.E., and they offer an example of First Century culture.

The Biblical Meal is a DELICIOUS four-course meal consisting of 15 different food items, including soup, salad, fruit, main course, dessert and all beverages (grape juice, water, or wine). Our private docent/guide will explain ancient meal practices including Passover and the Last Supper, and the setting of the table for reconciliation. At 12:30 we tour the artifacts museum- an incredible collection of priceless artifacts which continue to help us understand the stories of the bible.

The \$35 meal price (\$22 for children) and includes a guided tour of the Archaeological Replicas as well as admission to the Biblical Life Artifacts Gallery, which houses 250 biblical period artifacts from the Israel Antiquities Authority.

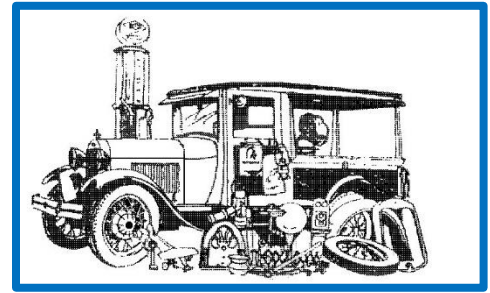

Kathy Huey has been there 10 times and always leaves with new and profound insights into various biblical stories.

We can accommodate a maximum of 35 people so make your reservations early, once you receive your EVITE. The Huey's will pay for the entire group; you can reimburse us at the event.
