Editor's Note:

As most of you know, Mike and I have been working with the Atlanta Concours d'Elegance for the past six months. The event was held on September 30th and was very well received, with an impressive array of 150 cars, many of which dated from the turn-of-the-20th century to WWII.

It was a labor of love, and resulted in our not having time for many of the usual activities we are involved with. And that is why you are just now receiving a newsletter that more or less covers September and October.

Luckily, we have quite a good system of email communication to keep everyone apprised of upcoming events and tours, so not all was abandoned.

Please enjoy this somewhat abbreviated issue....we'll be back on track come November.

Notes from Our Director

We had a wonderful turnout for our traditional Moonlight tour hosted by Bob and Cheryl Simpson. This year we went to Warm Springs for dinner and toured the little town. Tom and Liz Romine hosted our quarterly technical meeting and we had a primer on how to disassemble and repair starters.

We have a pretty full slate of activities planned for the balance of the year. Your board is working hard to make the club interesting and fun. We need your help and input to guide us to fulfill our mission to make the Southside A's the best Model A club in the nation. With that in mind I would like to encourage each of you to bring a many of your younger relatives and friends along for the club tours. Building memories and interest in our hobby with our youth can only make every outing fun and serve to insure the future of the hobby and your cars.

See you soon down the road,

-Jim

RABUN GAP MOUNTAIN TOUR - Recap

By Gwyneth Shotwell

Anyone who has organized a tour, whether a day-tour for lunch or a multi-night affair, knows (or quickly learns) how much work it entails. For Mike and me it meant several trips to Dillard and Rabun Gap to work out trailer parking, hotel, restaurants (with changing numbers of guests), driving routes multiple times, visiting prospective venues, and more. And while it sounds like a lot, which it is, we really enjoyed the whole process, and were thrilled that everything basically came off without a hitch. In fact, I found I was able to enjoy myself even while making sure we kept on schedule, and while “herding cats.”

We so enjoyed introducing everyone to Mickey Justice and his lovely wife, Debbie, and hearing all about life in the mountains, family history, as well as Mickey’s career in high-end auto restoration. As it is for many, his variety of jobs, most involving some form of mechanics, led him eventually to his own business, which now serves car collectors from far and wide; even some folks from Georgia who have seen Mickey lovingly rejuvenate a “mystery” Packard!

Our group of more than 40 people, all with their Model A’s, spent two and a half days in the forested hills of Dillard, driving Model A roads as others did during Prohibition, learning the history of the Rabun Gap Nacoochee School, tasting wine (and even dancing!) at 12 Spies winery, and enjoying delicious food, from buffets to box lunches to freshly caught trout. And the weather cooperated beautifully, only dropping some rain on us our last evening, in the hills at Andy’s Trout Farm, where we were graced with a complete double rainbow. It was a more than fitting way to conclude our weekend.

ANNUAL MOONLIGHT TOUR - Recap

August 11, 2018

Our annual Moonlight Tour was another lovely tour/meal combination that the Southside A's does so well. The Simpsons devised a beautiful drive, passing through areas I don't remember traversing; but what I've found over the years in Georgia, depending on the time of year, a familiar road can look quite different. And the drive in both directions, going and coming, provides even more variety. Whatever it is, we thoroughly enjoyed it.

The Bulloch House is in its new quarters on the main drag of Warm Springs. The two-story interior is bright, cheerful and homey. The buffet was nice, and as always, the camaraderie was delightful. (cont.....)

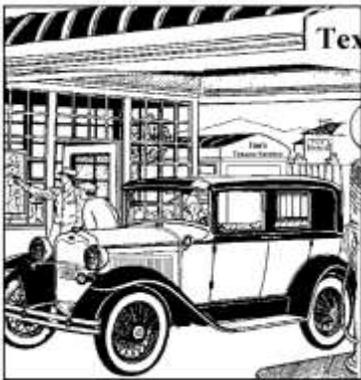

We were a group of 26, comprised of several Model As for the drive, and then joining a few others at the restaurant. Those attending: **Jim & Ann Hunter; Mike & Gwyneth Shotwell; Larry & Jackie Peterson; Jim & Kim Wingo; Tom & Liz Romine; Dick Carne & Pam Croft; Mark & Pat Gamble; Bob & Cheryl Simpson; Steve & Barbara Searock with daughter, Jenna and her fiancé, Zeke; Don & Debbie Pelham; Jim & Jackie Johnston; Fred & Kathy Huey; Steve & Laverne Anderson.**

Thanks to the Simpsons for leading a nice afternoon tour.

Tech Meet – Good work on Starters

By Tom Romine

On Saturday, August 18, we looked at 3 starters. Don Pelham brought one which needed to be cleaned up prior to disassembly. We opened it up and found a couple of problems which we addressed. Don needs to obtain some parts than we can reassemble.

Taylor Merrill brought one which he had been informed was no good. We opened that one up and checked it out. Did some good cleaning then reassembled his and it worked. So much for not being any good.

Ray Besch brought one that he has been working on but was having problems getting it to work. We checked and found that the armature would not spin. There was no end play so it could not spin. Found an extra shim where it should not be, removed it and then it would spin correctly. Reassembled his starter and it worked also.

Two out of three repaired and working is a pretty good percentage.

We had a great turnout: Charlie Biggs; Pat Tyler; Johnnie Hobbs; Frank Benford; Steve Searock; Jim Hunter; Taylor Merrill; Don Pelham; Terry Atkins; Steve Anderson; Fred Huey; Rick Minter; Dick Carne; Jim Johnston; Jim Wingo; Ray Besch; Bill Patterson (my buddy); T J Romine (my son); Conner Romine (my grandson); and Tom Romine (yours truly).

DIRECTORS' FALL TOUR

November 9-11, 2018

Our first Directors' Spring Tour to Savannah was a great success and we are planning an equally exciting two-night trip to the **Forgotten Coast of Florida**. We will stay in **Apalachicola** and visit the surrounding area including Port Saint Joe. This 270-mile trip will include visiting lighthouses, a local museum, shopping and some of the best seafood in the nation. Apalachicola is known for its Oysters and Shrimp. Come join us for some fun times and memories.

When: Leave Friday Morning, November 9th and return the morning of the 11th.

Where: Host hotel **Best Western**, 249 US98 W, Apalachicola. **Phone: 850-653-9131**

We have a block of 10 rooms reserved @ \$110 per night. **YOU MUST MAKE YOUR RESERVATIONS BY OCTOBER 18th**. You must **mention Southside Model A group** to get this special rate that is normally \$135 per night. There is a 72-hour cancellation notice required.

Note: For those wishing to trailer to the venue, there is ample parking in a lot adjacent to the hotel.

RSVP to Jim Wingo so that we can make further plans based on the numbers: nosomi2@gmail.com, 404-683-7344.

NEW FEATURE!

We will now be posting our **Board Meeting Minutes** on the website each month. Once approved, they will be posted. The September minutes are available now, so either go to the website and click the link below the current Newsletter on the home page, or simply [click here](#).

HERITAGE DAYS AT MINTER FARMS

By Bob Simpson

We had a great show again this year at Rick Minter's farm. The weather was hot and sticky but it didn't dampen our spirits. Southside A's members in attendance were **Bob Simpson, Charlie Biggs, Larry & Jackie Peterson, Jim Hunter** and of course **Rick Minter**. It was a great opportunity to enjoy watching vintage farm machinery at work. Syrup making and the moonshine still are a big hit every year.

It was good to see a lot of young folks expressing interest in the old farming equipment and methods. This show is one of the few remaining places where living farm history can be witnessed. There's always plenty of good food and conversation as well. If you didn't make it this year, plan to attend next year. A good time was had by all!

FILMING FAME IN MAINE!

(SSA's members, **Harry & Penny Saunders** spend several months each year in Maine, where Harry volunteers at the Seal Cove Auto Museum. Harry shared this terrific tale with us)

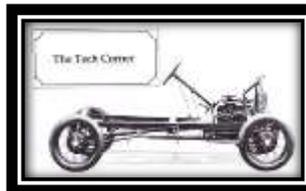

Jay Leno was in town last week visiting **Martha Stewart** to film an episode of his TV program, **Jay Leno's Garage**. He invited the Seal Cove Auto Museum, where I work on Tuesdays, to bring over a Model A Ford for part of the production.

Martha lives in **Edsel Ford's Skylands Mansion** here on Mount Desert Island, Maine. The program was geared towards the connection between the Model A Ford which Edsel designed, Martha's home, her 1958 Edsel station wagon and Jay's interest in antique automobiles. I drove the Model A Huckster Wagon over with the museum's executive director and spent the day with the film crew, Jay

and Martha filming the episode.

It was quite an experience! The episode should air sometime later this year or the beginning of next year. It will be fun to see how it all comes together.

The Tech Corner

Jim's Technical Tip of the Month

by MAFCA's Technical Director, Jim Cannon

Have a Slant Window? Need More Front Seat Leg Room?

This tip only applies to those of you that drive a 1931 Slant Windshield Fordor or Town Sedan style vehicle. Sorry!

If you need more leg room up front, remove the bottom seat cushion to work through there. Remove the 4 screws that hold the front seat latch mechanism down to the floor. You may have to slide the seat forward or back to see them all. Look under the front carpet.

With the screws out, slide the front seat assembly back about 4 inches, so that the front 2 holes on the latch line up with the rear 2 holes in the floor. Put 2 screws in there. Put the other 2 screws in the front holes in the floor, just to fill the holes. Put the bottom seat cushion back in, and you now have 4 more inches of leg room!

The seat assembly will partly block the rear doors when it is all the way back. Just slide it forward to let your rear seat passengers in, then slide it back to get the leg room you need.

Monthly Member Photos: Contributed by Ann Hunter.

Jim and Ann Hunter: Jim has always loved old cars. As early as his teens he has worked on Austin Healeys, MG's and Triumphs. In the 90's he acquired a rare 1949 MGYT. Only 877 were made. He started restoring it, but raising 3 sons left little time for hobbies. Parts had to be special ordered from England or custom made. He finally sold it, half restored.

Still interested in old cars, he started looking at Model A's because of the ease of working on them and availability of parts. Ann's Dad, Henry Schmidt, had

always tried to get Jim to buy a Model A. Henry was a machinist and often made one of kind tools to work on the model A for his friend Jim Marler who restored Model A's for a living.

We bought our first Model A in 2006 from Jack Miller. We took it for a test drive and never brought it back! Ask Jack to tell you the story sometime. He gave us an index card with written instructions on how to start and operate the car.

We have bought and sold a few Model A's since then, trying out different styles. At one time we had 5 Model A's in the garage. We now own a 1930 Roadster that is our favorite and also a 1930 Fordor which is good for driving in rainy or cold weather. Driving the back roads (even dirt roads) is our favorite thing to do in the old cars. One of the benefits of the convertible car is the aromas along the way. You can often smell honeysuckle, new mown grass or unfortunately, freshly manured fields! We love all the places we have been and all the friends we have made since driving these cars!

Registration will be on Wednesday, October 17th from 1:00 to 4:00 p.m. in the host motel lobby. We will have our welcome dinner 6 to 8:00 p.m. at Gerald Grizzard's Model "A" Ford museum to greet old friends and meet new ones that share the Model "A" Ford hobby.

Kymulga Covered Bridge

We have planned a great three day lineup of touring this year. Thursday morning (Oct 18) we will be off to Childersburg and a tour of Kymulga Grist Mill & Covered bridge, and then on to Waldo and the Waldo Cover Bridge. We will continue to Cheaha State Park, for a tour and lunch. After lunch we're off to Oxford Alabama for a tour of the Coldwater Covered Bridge and an ice cream social. Friday morning (Oct 19) we will saddle up in "Henry's Finest" to continue our covered the bridge tour in Oneonta Alabama, and

lunch at Charlie B's Restaurant. After lunch we head to Dry Creek Farm with its extensive collection of Vintage Gasoline & Oil Collectibles, Country Store items, Pedal Cars, Old Toys, Automobilia, and much more. After our visit we jump back in that "ole" A Model enjoying more great scenery on our way back to our motel. Saturday morning (Oct 20) we're off relaxing and enjoying the scenery as we wind through some of Alabama's most beautiful countryside.

Janney Furnace

Our first destination for the day will be Ohatchee, Alabama and a visit to Janney Furnace Memorial Park then on to the Looney house and lunch. In the afternoon we tour the world famous Berman Museum of World History and

the Anniston Museum of Natural History. In the evening we will conclude with the "Farewell Dinner" in Gerald Grizzard's Model "A" Ford museum.

MAFFI News

Model A Day September – a great success

Thanks to all the volunteers that made 2018 Model A Day such a success. I would particularly like to thank and recognize Tim Kelly and his family for bringing his collection of Town Cars and Town Car Deliveries to the museum. It takes a lot of personal effort to transport and display such a valuable and rare collection. What a great experience.

We had over 200 Model A's attend and our swap meet area had to be extended behind the Cadillac Museum to accommodate the number of vendors. With the weather perfect for the entire weekend, attendance set a new record.

We hope you will make plans to visit the museum in the future and join us for the 2019 Model A Day which will be September 21, 2019.
