**2019 Southside A's Club Events**

September 13-15	Dick & Jane Tour - Columbus, GA
September 14	Int'l Model A Day - High Falls
September 28	Dinner & a Movie, the Huey's
October 17-20	CAMAFC - Sweet Home Alabama, Gulf Shores, AL
November 2	Business Meeting, Frank's at the Old Mill for lunch
Nov. 30-Dec. 1	Madison Christmas Tour of Homes

**2019 Events of Interest**

September 21	Model A Day at the Museum
October 4-6	GA State Fair - Georgia Region
October 9-12	Hershey AACA Meet and Swap Meet
October 7-11	MAFCA National Tour, Canyonlands
November 22-24	Moultrie Swap Meet

**Editor's Note:**

As we begin the Labor Day weekend we know that Fall is just around the corner. This is wonderful touring time.

Coming up mid-month is our "Dick & Jane" Tour to Columbus, and that same weekend (Sept. 14) the Romine's will lead an International Model A Day tour to High Falls.

At the end of the month we will gather at the Huey Homestead for Dinner and a Movie. Check your email box for additional information, as well as the occasional last minute outing.

Be sure to check out our Facebook Page to see all the latest doings...including a running account of the recent MARC National Meet in Dearborn, attended by Jim Wingo, Tom Romine, and Ray & Teri Besch.

## Notes from Our Director

Wow! Where has the summer gone? Pretty soon we will be entering the best time of year to drive our Model A's. As I am sure you have heard by now, because bad news travels fast, I had an engine failure going up to the MARC National Meet in Dearborn. Nothing serious, just one of the main bearings. I have had an Antique Engine Rebuilders engine in my car since inception of the A400. It had 42,000 miles on it and felt good for another 42,000. Alas, it was not meant to be. To make a very long story short, I was able to buy a new AER engine from them at the meeting. Ray Besch, Tom Romine and I pulled the old engine and put the new one in under the trouble tent. We had a couple more problems with the new engine and we finally got home. Incidentally, we are now urban legends with the National Club. So, to make a long story even shorter, new engine in the car and it's running well enough for our next tour. One thing we did accomplish was to be awarded the hardship award by the National Club, something I hope we can avoid in the future. Many thanks to Ray and Tom for their good humor and support during the "crisis." The National Meet, despite our engine problems, turned out to be one of the best meetings I have ever attended. Makes me want to go back and visit again as there is just too much to see in one trip.

The club also had its annual Moonlight Tour this month to Candler Field in Williamson; thanks to Teri Besch for coordinating this one. It was hot but we had a great time. Tom Romine had another terrific Tech meeting at his home. This time the subject was Zenith carburetor restoration. We had seventeen people show up for this and plenty of great questions were answered. Thanks, Tom, for all you do.

We have some exciting tours set up for September; you can read about them in the newsletter. If you haven't joined us this year try and make one them, you won't be disappointed. In the Fall we are planning a Directors' Tour to South Georgia. Stay tuned for more details on this in our next newsletter.

If you haven't gone to our website lately, you need to visit. Pat Tyler has completely revamped the site to make it more user friendly and now it is formatted so you can pull it up on your cellphone. It's a great way to show someone what we do as a club when all you have is your phone. Thanks to Pat for being the best webmaster ever. Finally, we have a Facebook page! Check it out; there you can get updates on our events past and present. It's "Southside A's".

See you down the road!

~Jim

### ICE CREAM NIGHTS!

Thursdays, 7:00 pm (come earlier for dinner.....)

Every Thursday 'till Fall.

Bring you're A and we'll see you there!

## Moonlight Tour – A's, Planes, Food & Friends!

Our Moonlight Tour, organized and led by Teri & Ray Besch, was a delightful late afternoon outing to the Peachstate Aerodrome in Williamson. The drive was lovely, with a nice collection of A's, and we were joined at the airport by Barbara Kitchens and her husband, Keith, who had driven their two beautiful cars – the blue 1932 Roadster, as well as the Model A Phaeton. It was such a treat to see Barbara after way too long!

We welcomed our two newest members David and Fran Birch and their newly acquired 1931 Tudor.

The food at Barnstormer's Grill is always tasty, and they accommodated our group beautifully. Fun was had by all. Thanks to the Besches for making it happen.

## International Model A Day Tour and Lunch, September 14, 2019

Tom and Liz Romine will be hosting a driving tour to picturesque High Falls for a lunch to celebrate International Model A Day, 2019. **Watch your email inbox for details!**

## AUGUST TECH MEET - CABURETORS

On Saturday the 24th we had 17 men present at the Tech Meet. We looked at the differences in Zenith carburetors. The Zenith 1, Zenith 2, Zenith 3 and the Zenith side bowl. All the repair parts are the same for these carburetors.

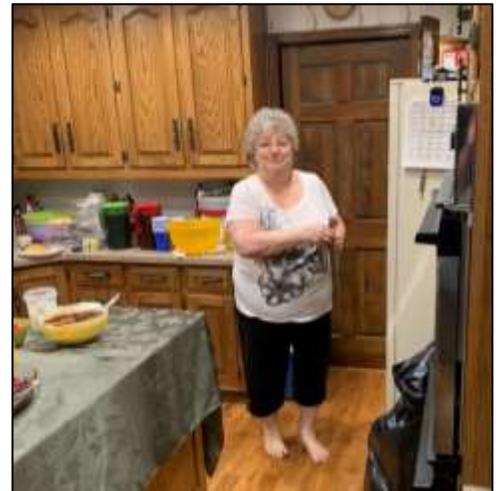

We looked at cleaning them, drilling out the passage plugs so we can clean in the passages. Looked at the difference in the jets, and how to gauge the jets to the proper size. Reinstalled the plugs. Then looked at how to install the float valve and adjust it. Looked at how to reinstall the

butterflies properly. Installed the idle needle valve and set it.

When we were done, we had completely rebuilt but not restored one Zenith carburetor. Restoring means to match each piece of the carburetor to a specific model year and date of manufacturing.

(Editor's note: The reward for all participants was a tasty lunch organized and managed by "Boss Lady," Liz Romine)

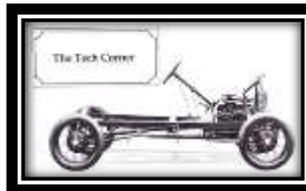

### **Coming September 28 – Dinner and a Movie!**

Join us at the Huey Homestead for a fun evening of food, friends, and a delightful movie, *The Rocketeer*. This film fun for the whole family and features old cars, old planes, heroes and villains...an all-around American popcorn adventure.

Check your email for all the details, coming your way soon!

# The Tech Corner

## Jim's Tech Iip by Jim Cannon,

### Nut and Bolt Torque - Part 2

I wrote last month about the basics of tightening a nut or a bolt with a torque wrench. As I mentioned, there are tables of recommended torque values to use for guidance on our cars. Let's continue with that theme.

In general, published torque values (unless it states otherwise) are for tightening a nut or bolt with clean, dry threads. This means the rust has been cleaned off of the bolt or stud threads (I use a wire brush) and they have been wiped dry. No oil, grease or anti-seize compound should be applied to the threads that the nut will be turning on. (A drop of oil can be applied to the surface that a nut is tightening against, such as the boss on the top of a head, where the stud goes through the head.)

copywrite Frisco illustrationsOf.com/89401

If you lubricate the threads on a stud or bolt, it will be too easy to turn the nut as you torque it. So when you stop at your target torque (say 55 ft-lbs for a head nut) you will have stretched the bolt or stud more than 2 times as far as you would with the same torque with dry threads. This will be like over-torquing the nut and can result in the stud or bolt breaking, the stud pulling out of the block, or the head or block cracking, due to too much stress on it. That will ruin your day!

So clean the threads before you start, keep the threads dry, use a torque wrench, and stop pulling the instant the torque wrench clicks. You'll be glad you did. Have a Model A Day!

Jim

## 13<sup>th</sup> Annual Sweet Home Alabama Tour October 17 - 19, 2019

Fellow Model Aer's

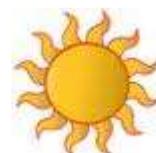

Registrations are coming in from all over the Southeast for the 2019 Sweet Home Alabama Tour and it looks like this year is going to be our largest tour to date. If you are planning to attend now is the time to make your motel reservations and send in your registration form. The tour will be conducted as a hub tour from Gulf Shores Alabama and will feature spectacular Gulf Coast scenery, country back roads, great sea food, the Naval Aviation Museum, Historic Fort Morgan and many more local attractions

Registration will be at the host motel (Hampton Inn) on Wednesday October 16, 2019 followed by the welcome dinner in the evening at the Original Oyster House. We will tour October 17-19 and depart on Sunday October 20, 2019.

The Host Motel is the Hampton Inn, 1701 Gulf Shores Parkway Gulf Shores AL 36542 Phone: (251) 948-1020, press 0, say booking for the Sweet Home Alabama Tour Group. The overflow motel is the Holiday Inn Express, 160 West Commerce Avenue Gulf Shores AL 36542 PHONE: (251) 948-6191, say booking for the Sweet Home Alabama Tour Group. The group rate for both motels is \$89 plus tax, trailer parking will be in the Holiday Inn overflow public parking lot.

If you have any questions contact Paul M .Majerick at email [paulmajerick@aol.com](mailto:paulmajerick@aol.com) or cell phone (334) 312-3029.
