## Thoughts from Our Director

Happy September! With cooler weather just around the corner, I hope to see more members coming out and participating in Club events. We still have several good tours planned for the remainder of the year. Come on out and bring those Model A's. They are dying to be seen and to get out on the road. Let's rack up those miles!

I want to remind everyone that all members are invited to attend the board meetings. Our next one will be held at J. Christopher's in Peachtree City, Monday, September 5<sup>th</sup>, 8:30am. We gather for a great breakfast, followed by the meeting. My goal is to finish up the meeting at 10:00am. Sometimes I do...sometimes I don't. Oh well, I do my best. We do have a separate dining room with plenty of space. It would be great to see you there.

Unfortunately, we had to postpone our August Tech Meet. Hopefully, we will be able to schedule another one in the near future. Keep an eye on the newsletter and/or future emails.

As always, if you have any Club questions or ideas, please give me a call.

~Jim Hunter

## International Model A Ford Day Tour

**Saturday, September 10**

We will be celebrating International Model A Ford Day on **September 10**, with a tour led by Tom & Liz Romine. While the more common date is September 17, the board decided to move it up a week so as to not conflict with the (Not Necessarily Annual) Dick & Jane Tour. The important thing is to celebrate our hobby, and this way we have two September opportunities to do that!

**Our destination will be Jackson, Georgia, and the Fresh Air Bar-B-Que restaurant. This is the oldest bar-b-que place in Georgia! It was established in 1929 in the same location. Impressive!**

**WHEN:** Saturday, September 10.

**ARRIVE:** 10:00 am at Publix in Wilshire Pavilion, Hwy 74 and Holly Grove, Peachtree City.

**DEPART:** 10:15 am. One-and-a half hour drive to Jackson, GA.

**Fresh Air Bar B Que offerings: Chopped Pork plates and sandwiches, slaw and Brunswick stew.**

**RSVP: By Wednesday, Sept. 7.** Either Tom Romine, [ModelATom@comcast.net](mailto:ModelATom@comcast.net), or Gwyneth, [gwynshot@aol.com](mailto:gwynshot@aol.com)

**ICE CREAM NIGHTS EVERY THURSDAY!**

You can start with dinner or go straight for the ice cream.....  
Every Thursday 'till Fall.

## AUGUST LUNCH BUNCH – “Cars, Trains and Movies”

### Brief recap!

Kathy Kelly-Huey put together a fun Lunch Bunch outing on August 16<sup>th</sup>, and we saw a nice turnout for the event. The group that gathered at Sam’s in the morning were treated to a memorable drive out the back roads of Newnan and Sharpsburg, wending our way into the town of Palmetto.

The group consisted of Kathy, with Jackie Johnston and Cheryl Simpson navigating, the Petersons, Shotwells, Tom & Betty Miller, Bobby & MaryJane Cleveland. Steve & Ardith Vied, and Kelly Adams with her son, Damien. We were joined in Palmetto by a LaGrange contingent of Pat & Pam Tyler, Terry Atkins, Joe & Betty Fagundes, and Taylor & Judy Merrill.

Our destination was the Palmetto Train Depot Museum, which beautifully portrays the early days of this small town, when it was part of Campbell County. Numerous wonderful artifacts have been donated to create a truly charming and informative experience. The Historical Society has also compiled an extensive library with documentation of citizens going back decades, which are available to the public for review, perhaps finding local ancestors in the process. One of the Society members gave us a tour, filling in a lot of the history of the town and the artifacts on display.

From there we toured east into Fayetteville to the Hanna Brothers Studio Café, located at the Trillith (formerly Pinewood) Studios. This popular restaurant provided a great buffet lunch which we all enjoyed, along with wide-ranging, leisurely conversations. Afterwards, some folks headed home while others went across Veteran’s Parkway to explore the new shops at the Trillith residential and commercial development.

Thanks go to Kathy for her great locales and driving routes. It was enjoyable for all.

We're looking forward to the tour, coming up fast! See you there.

## SEPTEMBER LUNCH BUNCH PHEASANT BLUE at FOXHALL RESORT, DOUGLASVILLE

**Wednesday, September 21**

On September 21 the Lunch Bunch will be meandering over more of our beautiful Georgia country roads into the countryside of Douglasville. Our destination is the Foxhall Resort located along the Chattahoochee River. Within this 1,100 acre property are innumerable outdoor pursuits, including equestrian, archery, boating, tennis, etc., along with luxury accommodations.

Our lunch destination is Pheasant Blue Restaurant at the resort, an upscale treat offering appetizers, salads and sandwiches, all with a gourmet flair. Some of the appetizers sound like they could make for a nice light lunch, or choose a burger that Jackie Peterson (our guide, along with Larry, for the day) said might just be the best one she's ever had. High praise, indeed. It should be noted that

the menu states a 20% gratuity is added to all checks. Menu items range from \$12 and up.

**RSVP:** By 10:00 am on **Monday, September 19**. Either Jackie – [jackiepete100@gmail.com](mailto:jackiepete100@gmail.com) or Gwyneth – [gwynshot@aol.com](mailto:gwynshot@aol.com).

Gathering time and location will be coming soon. Watch your email.

# MOONLIGHT TOUR

**Saturday, August 20, 2022**

A merry band of Southside A-ers gathered together for our annual Moonlight Tour on August 20. We were blessed with driving weather that wasn't as hot as it could be....which is saying a lot! A combination of Model A's and modern vehicles departed from Peachtree City, with the Shotwells leading the way to the small town of Milner, Ga. Appetites were worked up in anticipation of an extensive southern buffet, with the delicious addition of awesome seafood, at Tim's Lighthouse.

No one left hungry, and we had enough remaining daylight to ward off a possible post-dinner snooze on the road. Once again we proved just how well we, as a club, know how to enjoy a tasty meal while partaking of fabulous camaraderie. That's the best!

**Attendees:** Mike & Gwyneth Shotwell; Larry & Jackie Peterson; Tom & Betty Miller; William & Jessica Schalk; Jack & Drena Miller; Kelly Adams and her son, Damien; and Dick & Pam Carne, with Pam's dad, Tommy Croft.

Kelly Adams, Tom Miller, Larry Peterson, Jack Miller, Mike Shotwell, Jackie Peterson, and Drena Miller, await our take-off for Tim's

## O-Ring to Protect Upholstery

I GOT THIS SIMPLE IDEA from a friend of mine – Bobby Roy, who lives in Ola, Arkansas.

Behind a finish washer for upholstery, use a #78 O-ring under the washer as a backup to keep from cutting into the material. I have put this idea to use with good results.

# FASHION FINDS...

Since we as a club are big proponents of multi-night tours, this next article is perfect for offering not only a history of travel accoutrements but also suggestions for today to make our trips even more enjoyable. This month I've included page 1 of a 2-page article, with the finish coming in our October edition. Thanks to Melanie G. Whittington and Restorer Magazine for making this article available to us. (Fig. 5, noted at the end, will appear next month. I'll recap so you won't miss a beat!)

## Take a Little Trip

Melanie G. Whittington

Traveling in a Model A is one of the highlights of our hobby. Combining an interest in Model As, travel, and era fashion is about the best thing I can think of to experience all aspects of this hobby. Where are you going? Is it for the weekend? What's the weather forecast? A few things to ask yourself before beginning to plan your wardrobe and luggage requirements.

"Each year motoring becomes more and more a favorite pastime as weekends grow in popularity..." according to the June 1931 issue of *Good Housekeeping*. This sentiment is

Figure 1; Picnic set

very similar to the short tours so many of our chapters take each year. Do you and a few Model A friends like to take day trips and pack a lunch? Have a little fun with it! One of my favorite trips involved the Southeastern Touring group and a trip onto the Blue Ridge Parkway. My husband and I packed a lunch and brought our picnic set along. Add some fried chicken, potato salad, and lemonade for a trip you won't soon forget. (Figure 1) These luncheon kits were suggested for anyone "motoring much". This cobra-grained Fabrikoid kit was setup for six-place settings and to fit

Figure 2; Luncheon kit ad from June 1931, *Good Housekeeping*

the running board. (Figure 2) Kits like these were available during all years of the Model A era. They range from simple sets to more elaborate. I have seen kits with eight-place settings, multiple thermoses, tin, or enamel boxes to carry a variety of items, cups, and various other accessories. They are not the easiest to find at antique stores, but I have seen several in my travels. It may look like a suitcase if it is setting on the floor closed. Look a little closer and you may find a treasure.

Figure 3; York Daily Record, July 1927, "new zippered cases"

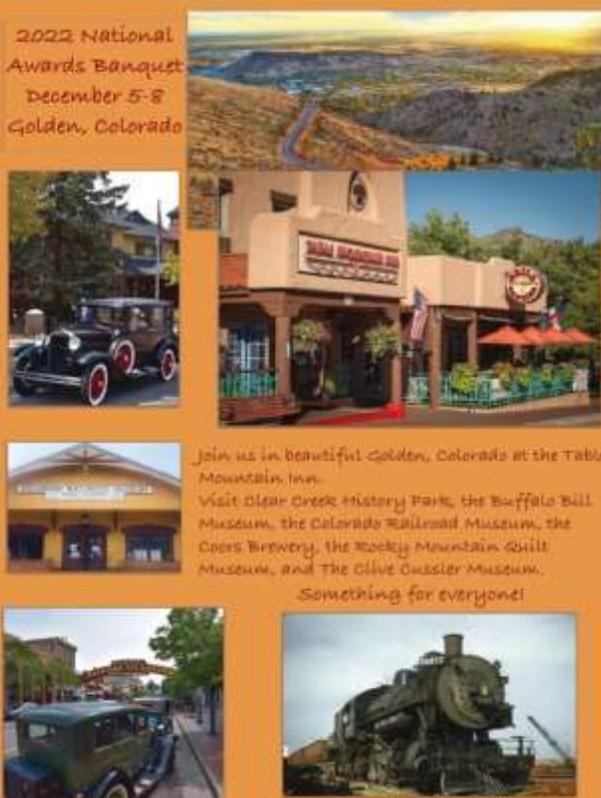

"Talon Hookless Fasteners," "slide fasteners" or "Zip-O-Grips" were all names for what we would call a zipper. These started showing up in luggage before the Model A era. Here is an ad from July 1927 in the *York (PA) Daily Record*. (Figure 3) The same ad, two months earlier, from Austin, TX did not mention the "new zippered cases" noted in the "For Long Trips" section.

Of other interest is the mention on short trips using "light luggage for feminine travelers". Not only were motoring trips becoming commonplace, the ads were focusing on females and the needs of traveling with multiple dresses, shoes, and hats.

In our effort to reproduce an authentic trip in our Model As, we may not be able to go into every aspect, but pick something you enjoy and try it! If you love hats, find a nice hat box and throw it in the back seat, trunk or rumble seat. If you're lucky enough to have a truck, you have plenty of room for luggage. Be sure, if you're using originals, to keep them protected from the elements. They aren't making any more "Wheary Wardrolettes of buffalo rawhide." (Figure 5)

## SOUTHSIDE A's MODEL A LIBRARY

**Jim Hunter** has been collecting the national magazines for both **MARC** and **MAFCA** and has amassed quite a number, going back several years. We would like to put out a request for club members to feel free to donate Model A-related books, manuals, guides, including fashion, advertising and other topics, to build up this collection.

The goal is to make these materials available to Southside A Club members to borrow and return, when you need a reference or inspiration but don't require a permanent book or magazine.

If you have these types of items that are taking up space in your home, but you don't want to just toss them, please consider donating them to the Club!
